LOVE THEM IN STANLEY N. GUNDRY,1999 *Love Them In* Stanley N. Gundry,1982 Contemporary Theology: An Introduction, Revised Edition Kirk R. MacGregor,2020-07-28 Accessible and comprehensive Contemporary Theology An Introduction by professor and author Kirk R MacGregor provides a chronological survey of the major thinkers and schools of thought in modern theology in a manner that is both approachable and intriguing Unique among introductions to contemporary theology MacGregor includes Evangelical perspectives alongside mainline and liberal developments The influence of philosophy and the recent Christian philosophical renaissance on theology Global contributions Recent developments in exegetical theology The implications of theological shifts on ethics and church life Contemporary Theology An Introduction is noteworthy for making complex thought understandable and for tracing the landscape of modern theology in a well organized and easy to follow manner **Music and Theology in Nineteenth-Century Britain** Martin Clarke,2016-04-22 The interrelationship of music and theology is a burgeoning area of scholarship in which conceptual issues have been explored by musicologists and theologians including Jeremy Begbie Quentin Faulkner and Jon Michael Spencer Their important work has opened up opportunities for focussed critical studies of the ways in which music and theology can be seen to interact in specific repertoires genres and institutions as well as the work of particular composers religious leaders and scholars This collection of essays explores such areas in relation to the religious musical and social history of nineteenth century Britain The book does not simply present a history of sacred music of the period but examines the role of music in the diverse religious life of a century that encompassed the Oxford Movement Catholic Emancipation religious revivals involving many different denominations the production of several landmark hymnals and greater legal recognition for religions other than Christianity The book therefore provides a valuable guide to the music of this complex historical period **The Americanization of the Apocalypse** Donald Harman Akenson,2023 In The Americanization of the Apocalypse Creating America s Own Bible Donald Harman Akenson examines the creation and spread of Dispensationalism a belief system that produced The Scofield Reference Bible the ur text of American apocalyptic evangelicalism *Defining Moments: Dwight L. Moody* Bill Johnson,Jennifer Miskov,2019-04-09 Each individual Defining Moments ebook is a fascinating look at the remarkable ways in which God has used an ordinary person to change history But it is about more than history alone it illuminates the present and unveils the future Prophetic in nature it reveals how God wants to work in each of our lives to fulfill His purposes today tomorrow and in the years to come The stories in the Defining Moments collection of God encounters carry a prophetic anointing for all who have ears to hear Author Bill Johnson highlights the significant traits and contributions of many well known revival leaders including John Wesley Charles Finney Dwight L Moody Maria Woodworth Etter Carrie Judd Montgomery Smith Wigglesworth John G Lake Evan Roberts Rees Howells Aimee Semple McPherson Kathryn Kuhlman Randy Clark and Heidi Baker He explains the impact these leaders can have on us today as we respond to

the life changing truths revealed through their life stories There is power in knowing the testimonies of men and women who experienced God in a defining moment and said yes to His unique call on their lives It is a power that inspires us to hunger for God in such a way that we too will have an encounter with Him that launches us into the world of the impossible enabling us to fulfill a greater measure of our destiny Read this ebook with a sense of readiness and watch what happens **Lessons from the Life of Moody** George Sweeting,Donald W. Sweeting,2001 Moody an untrained unordained layman has been called the most famous clergyman of the 19th century He is credited with establishing three schools a church publishing house and Bible conference *Fundamentalism and American Culture* George M. Marsden,2006-02-23 Many American s today are taking note of the surprisingly strong political force that is the religious right Controversial decisions by the government are met with hundreds of lobbyists millions of dollars of advertising spending and a powerful grassroots response How has the fundamentalist movement managed to resist the pressures of the scientific community and the draw of modern popular culture to hold on to their ultra conservative Christian views Understanding the movement s history is key to answering this question *Fundamentalism and American Culture* has long been considered a classic in religious history and to this day remains unsurpassed Now available in a new edition this highly regarded analysis takes us through the full history of the origin and direction of one of America s most influential religious movements For Marsden fundamentalists are not just religious conservatives they are conservatives who are willing to take a stand and to fight In Marsden s words borrowed by Jerry Falwell a fundamentalist is an evangelical who is angry about something In the late nineteenth century American Protestantism was gradually dividing between liberals who were accepting new scientific and higher critical views that contradicted the Bible and defenders of the more traditional evangelicalism By the 1920s a full fledged fundamentalist movement had developed in protest against theological changes in the churches and changing mores in the culture Building on networks of evangelists Bible conferences Bible institutes and missions agencies fundamentalists coalesced into a major protest movement that proved to have remarkable staying power For this new edition a major new chapter compares fundamentalism since the 1970s to the fundamentalism of the 1920s looking particularly at the extraordinary growth in political emphasis and power of the more recent movement Never has it been more important to understand the history of fundamentalism in our rapidly polarizing nation Marsen s carefully researched and engrossing work remains the best way to do just that **Seasons of Refreshing** Keith J. Hardman,2006-03-01 Now at last a full length treatment of revivals in America from the earliest settlement to the present Instead of focusing narrowly on an isolated period or specific evangelist *Seasons of Refreshing* traces the entire development of modern mass evangelism and the spiritual awakenings associated with it After a brief review of the church s growth from Pentecost to the Puritans the author leads us on an errand in the wilderness and examines the early harvests under Stoddard Frelinghuysen Edwards Whitefield and the Wesleys Finney Moody Sunday all forming an unbroken chain leading up to the present activities of Billy Graham and Luis Palau The

Dominance of Evangelicalism David Bebbington, 2005-10-07 This work continues the compelling History of Evangelism series in its effort to chart the course of English speaking evangelicism over the last 300 years 300 pp **The Swedish-American Historical Quarterly** ,2004 **A Passion for Souls** Lyle W. Dorsett, 2003-10-01 Dwight Lyman Moody was the greatest evangelist of the 19th century In the pre television era he traveled more than one million miles to preach the gospel to more than 100 million people Although equipped with just four years of formal schooling Moody launched ministries in education and publishing that remain vital and fruitful today Moody had a passion for souls Yet with all of his accomplishments for God D L Moody remained a humble man His greatest riches were found in the love of his Lord and the souls that had been changed for the glory of God In these pages today s believers will find a model of biblical passion vision and commitment Lyle Dorsett reveals the heart of this great evangelist recounting his life and realistically probing his strengths weaknesses virtues faults triumphs struggles and motivations to find a man after God s own heart The Deluxe Leather Collector s Edition is perfect for people any age **Evangelical Spirituality** James McMillan Gordon, 2006-07-10 Of the twenty two Evangelicals who have been studied some have been so widely influential that they are obvious inclusions others though less prominent are still remembered while a few are all but forgotten Selection was controlled by several considerations The period covered spans from the eighteenth century Revival to the present day Figures are included from only Britain and America The aim throughout has been to provide an appreciative exposition of Evangelical spirituality with some evaluative comment In Evangelicalism there is extraordinary diversity in spiritual experience doctrinal emphasis and personal temperment to the enrichment of the whole Church It has its share too of weaknesses blind spots and inner tensions But judged by its best representatives some of them to be found in this book the Evangelical spiritual tradition is a continuing witness to the power of the gospel and the mission of the Church from the Preface Book of Days C. Edward Wall, 1987 Wisconsin Lutheran Quarterly ,1982 Evangelism in the Twenty-first Century Thom S. Rainer, 1989 **Evangelical Dictionary of Theology** Walter A.
