Working with Offenders who View Online Child Sexual Exploitation Images Lyne Piché, Anton

Schweighofer, 2023-06-27 This comprehensive workbook addresses the use of illegal online sexual images. Focusing specifically on child sexual exploitation materials (CSEM), it offers a clear and professional manual for use with men who use CSEM. Working with clients who access illegal online images is challenging work. CSEM clients have unique characteristics and treatment needs. Designed around practitioner and client needs, each chapter provides a guide for clinicians and a subsequent set of materials for the client. The workbook covers a range of topics such as motivation for change, relationships, thinking patterns, emotions management, sexuality, computer use, Internet safety, and future strategies to ensure both client and community safety. Addressing these issues as well as community accountability helps users of CSEM achieve a satisfying life while avoiding future criminal justice involvement. Through this clearly written and structured workbook, clients are given the resources to help manage problematic thoughts and/or illegal sexual behaviour. Offering evidence-based strategies rooted in the authors' clinical experiences, the workbook enables the practitioner and client to work productively together to address the issues that have led to their involvement with illegal sexual images. This book will be helpful to a range of practitioners, including forensic and clinical psychologists, as well as those working in correctional settings such as probation and prison staff, psychiatrists, social workers, counsellors, and providers of mental health treatment. It is also designed for anyone who has viewed or is worried about viewing sexual images of children.

Reimagining Mental Health and Addiction Under the Covid-19 Pandemic, Volume 1

Dionisio Nyaga, Rose Ann Torres, 2024-07-13 This edited collection is a follow-up to Algoma University's inaugural conference on mental health and addiction held at the Brampton campus in Ontario, Canada. We live in a society where many marginalized communities continue to bear a historically disproportionate burden on their psychological, mental, and economic well-being, especially under the Covid-19 pandemic. Covid-19 has had a continuing impact on marginalized and racialized communities at all levels. We are now witnessing the compounded effects in the form of a worsening mental health and addiction crisis and its subsequent impact on children's education, service delivery, and overall psychosocial well-being. Covid-19 has widened the gap and increased poverty disparities between high-income and low-income individuals. Furthermore, it has affected the psychosocial resilience of people. As communities of scholars, practitioners, and researchers, we have a responsibility to address these existential issues in ways that are ethical and transformative. This type of engagement should help mitigate the consequences of the pandemic in an intersectional manner. These conversations should

assist us in understanding and addressing the trauma and suffering that marginalized communities and individuals continue to endure. Together we can work to find answers to mental health and addiction challenges while valuing people's histories and realities within this intersectional engagement. This book aims to redefine psychiatric discourse in the age of the pandemic and encourage us to imagine how the world can be reformed in ways that are both ethical and political. It has the potential to shed light on the values and realities of communities in discussions of medical sociology, particularly concerning the impact of Covid 19 on marginalized communities. This book is structured into three volumes. Volume one delves into the repercussions of the COVID 19 pandemic on the mental health of various ethnic groups. Volume two specifically addresses the impact of the pandemic on the mental health of Afro Black individuals. Volume three explores the connections between the COVID 19 pandemic, psychological well-being, and colonialism.

Sweet Tea for the Soul Melody McGowan, 2007-11
How To Write A Dirty Book and Other Stories is Bruce Kimmel's first collection of short fiction. In these wonderful and evocative tales, you'll find the warmth, humor, and emotion of his acclaimed Benjamin Kritzer trilogy. Benjamin Kritzer, Kritzerland, and Kritzer Time, the biting, acerbic wit of his two mysteries, Writer's Block and Rewind, and a new element—the world of fantasy. All but one of the stories takes place in Mr. Kimmel's favorite world, Los Angeles, both then and now. In I'll See You In My Dreams, a depressed, miserable man longs to escape to the world of a recurring dream where the perfect woman is waiting for him. In How To Write A Dirty Book, a down-on-his-luck screenwriter in 1959 Hollywood takes on the challenge of writing a naughty novel as a way to supplement his meager income with surprising results. In Opening Out of Town, a bickering vacationing couple lose their way and stumble onto an all-singing, all-dancing small town. In Your Worst Nightmare, a seventy-two-year-old man seeks revenge against an Internet tormentor. With these and other stories, Mr. Kimmel takes you on a wild ride, a ride filled with nostalgia, longing, laugh-out-loud humor, fear, retribution, and love.
