The Conjuror Returns Michael S Ball,2025-11-21 This book ventures into the modern day use of inspiration by the inclusion of internet shorts requiring a limited space to reply relating to others simply in admiration or requesting a title for

inspiration I'd write a reply or form a poem suggesting a title not all are shown here though they're given as inspiration later to complete poems all done from Internet shorts. The subjects here are mainly love related with a little of nature interspersed here and there. It's surprising how other trains of thought can inspire before hello's soon become goodbyes. As is the case with all that correspondence I hope some of you will seek inspiration from others unknowingly giving suggestions for themes of life, love and needs of the heart enough to write it down or simply admire another's ability to express in a poetic way.
