African American Life in the Georgia Lowcountry Philip Morgan,2011-11-01 The lush landscape and subtropical climate of the Georgia coast only enhance the air of mystery enveloping some of its inhabitants people who owe in some ways as much to Africa as to America As the ten previously unpublished essays in this volume examine various aspects of Georgia lowcountry life they often engage a central dilemma the region s physical and cultural remoteness helps to preserve the venerable ways of its black inhabitants but it can also marginalize the vital place of lowcountry blacks in the Atlantic World The essays which range in coverage from the founding of the Georgia colony in the early 1700s through the present era explore a range of topics all within the larger context of the Atlantic world Included are essays on the double edged freedom that the American Revolution made possible to black women the lowcountry as site of the largest gathering of African Muslims in early North America and the coexisting worlds of Christianity and conjuring in coastal Georgia and the links with variations to African practices A number of fascinating memorable characters emerge among them the defiant Mustapha Shaw who felt entitled to land on Ossabaw Island and resisted its seizure by whites only to become embroiled in struggles with other blacks Betty the slave woman who in the spirit of the American Revolution presented a list of grievances to her master and S Quash the Arabic speaking Muslim who arrived on one of the last legal transatlantic slavers and became a head man on a North Carolina plantation Published in association with the Georgia Humanities Council **South Carolina's Low Country** Catherine Campani Messmer,C. Superintendent of Census,Edward Brandis Denham,1912 **Low Country** Anne Rivers Siddons,2009-10-13 Caroline AubreyVenableFans wil find some familiar has everything her Southern heritage promised money prestige a rich husband If she drinks a little too much and her n20 year marrige to successful land developer Clay seems a little empty well she s doing what she was born to do be the chatelain of a magnificent home and a hostess to her husband s wealthy friends and perspective clients aHer numbing routine of country club luncheons cocktail parties and increasing isolation is interrupted however when Carolinefinds out that her tycoon husband plans to build a resort on a beautiful untouched island in South Carolina s low country The island is a quiet

haven rich in low country history and meaningful memories from Caroline's youth. But most important to Caroline his plans will mean the devastation of a band of wild ponies that roam freely across the island. Spurred to action and inspired with new purpose Caroline must confront the life she has been leading and reach deep within herself to save this special place of her past and ultimately make a meaningful life for herself. *As a Siddons at her best* Low Country is a story of personal renewal and transformation when one woman's proper Old South upbringing collides with the New South's runaway prosperity.

Davidson restaurateur teams up with his old army buddy who heads up FBI's Atlanta office to solve the murders of three

Federal Law Enforcement Training Center FLETC serves as the backdrop for this mystery thriller as Thomas Pierson is on

the take for placing crooked wardens in federal prisons to mastermind his global terrorist plot to cripple the U.S.'s

intelligence community. Pierson plots the escape of four cons who assist him in Operation Black Widow to sabotage an orbital

person had a story to tell. She sought out everyone from millionaires to the humblest of coastal people. From their narratives

she has fashioned a collection of stories steeped in the history and character of the Low Country. Some of the tales in this

collection are humorous, some mysterious. Others are positively eerie. There are stories of killer hurricanes, bizarre voodoo

practices and inexplicable happenings. Effortlessly the author takes us from a gorgeous plantation estate of the 1850s to an

overgrown and forbidding cemetery in 1979 And she never fails to keep our attention on this somewhat alien but fascinating world a world peopled with witch doctors ghosts cruel overseers slaves and world famous personalities [The India List and India Office List for ... ,1899](#)
