## **Lowells Promise:**

The Lowells of Massachusetts Nina Sankovitch,2017-04-11 A stirring saga Vivid and intimate Ms Sankovitch s account entertains us with Puritans and preachers Tories and rebels abolitionists and industrialists lecturers and poets Ms Sankovitch has made a compelling contribution to Massachusetts and American History Roger Lowenstein The Wall Street Journal Sankovitch has searched out these letters to write the powerful story of one of America s most extraordinary families a family that helped shape the course of American history in dramatic and decisive ways By the final pages of this volume one feels deeply attached to the individual Lowells while also exhilarated at having experienced this grand sweep of American history Charlotte Gordon Washington Post The Lowells of Massachusetts were a remarkable family They were settlers in the New World in the 1600s revolutionaries creating a new nation in the 1700s merchants and manufacturers building prosperity in the 1800s and scientists and artists flourishing in the 1900s For the first time Nina Sankovitch tells the story of this fascinating and powerful dynasty in The Lowells of Massachusetts Though not without scoundrels and certainly no strangers to controversy the family boasted some of the most astonishing individuals in America s history Percival Lowell the patriarch who arrived in America in the seventeenth to plant the roots of the family tree Reverend John Lowell the preacher Judge John Lowell a member of the Continental Congress Francis Cabot Lowell manufacturer and some say founder of the Industrial Revolution in the US James Russell Lowell American Romantic poet Lawrence Lowell one of Harvard s longest serving and most controversial presidents and Amy Lowell the twentieth century poet who lived openly in a Boston Marriage with the actress Ada Dwyer Russell The Lowells realized the promise of America as the land of opportunity by uniting Puritan values of hard work community service and individual responsibility with a deep seated optimism that became a well known family trait Long before the Kennedys put their stamp on Massachusetts the Lowells claimed the bedrock Upside Down Andrew Grey,2014-08-15 Sequel to Inside Out Bronco s Boys Book Two Lowell Cartwright s life as a mercenary problem solver has taken its toll and after one more difficult job he wants out For help he turns to Bull a soldier of fortune turned club owner not exactly a friend but the best chance Lowell has He visits Bull s club to scope it out and meets Jeremy Hodgson The twink captures his attention in a big way Bull tells Lowell to stay away from the club until he decides whether he can help so Lowell stays in town When he spots Jeremy passed out on the floor of a convenience store he goes to Jeremy s aid Lowell piques Jeremy s interest immediately pushing all the right buttons Then when Jeremy needs help Lowell s kindness turns interest into something more But trouble comes knocking when Jeremy s place is bugged Maybe Lowell s past is catching up to him or maybe the danger centers on Jeremy s roommate Tristan s mysterious boyfriend Whatever the source of the problem the future Lowell and Jeremy hope for doesn t stand a chance unless they can find a way to protect themselves Self-Made Women in the 1920s United States Matthew Niven Teorey,2022-05-16 Women of the 1920s led a revolt against the old standards of womanhood that were dominating US culture Flappers and feminists they spoke and acted out inspiring other

women to follow This book analyzes the work of eleven important 1920s female authors who chronicled this revolt Anzia Yezierska Anita Loos Mae West Josephine Lovett Nella Larsen Mourning Dove Djuna Barnes Amy Lowell Gertrude Stein Bessie Smith and Dorothy Parker These trailblazers wrote counter narratives to the sexism racism classism and homophobia women faced during the Jazz Age The author brings their novels poems plays film scenarios and blues lyrics into conversation with each other for the first time to show different approaches female readers could take to become autonomous individuals and full citizens The works also encouraged readers to maintain supportive relationships with other progressive women The author argues these works presented female readers with examples of how they could act individually and collectively to attain the political power social status economic independence sexual freedom and artistic recognition they deserved *The Historic Genealogy of the Lowells of America from 1639 to 1899* Delmar Rial Lowell,1899

**The Nature of Sacrifice** Carol Bundy,2005-04-13 In this remarkable work Bundy draws on a wealth of family papers and public archives for her vivid portrayal of a privileged young Yankee who became a battle hardened soldier and revered officer

**Cleanth Brooks and the Rise of Modern Criticism** Mark Royden Winchell,1996 During a career that spanned sixty years Cleanth Brooks was

involved in most of the major controversies facing the humanities from the 1930s until his death in 1994 He was arguably the most important American literary critic of the mid twentieth century Because it is impossible to understand modern literary criticism apart from Cleanth Brooks or Cleanth Brooks apart from modern literary criticism Mark Royden Winchell gives us not only an account of one man s influence but also a survey of literary criticism in twentieth century America More than any other individual Brooks helped steer literary study away from historical and philological scholarship by emphasizing the autonomy of the text He applied the methods of what came to be called the New Criticism not only to the modernist works for which these methods were created but to the entire canon of English poetry from John Donne to William Butler Yeats In his many critical books especially *The Well Wrought Urn* and the textbooks he edited with Robert Penn Warren and others

Brooks taught several generations of students how to read literature without prejudice or preconception

**Robert Penn Warren:** Mark Royden Winchell,2023-12-15 At least since the dawn of the Romantic era it has been assumed that the poet

lives a lonely life isolated in his garret Nevertheless writers are not always hermits and misanthropes As human beings they crave the company of other human beings as artists they need the stimulation of other artists This book brings to light Warren s most important literary associations during his long and active life
