Luck A Secular Faith:

Luck, a Secular Faith Wayne Edward Oates,1995-01-01 In this book Wayne Oates defines luck as a secular faith examining the ways in which the idea of our experiences being based on luck dominates much of our thinking about how and why our lives develop as they do According to Oates this secular faith in luck is unhealthy and should be countered with faith in God **News of Boundless Riches** ,2007 **Daniel** Cheryl A. Paden,2015-02-03 As a youth Daniel was captured by the army of Babylon exiled to a foreign land and forced to serve in King Nebuchadnezzar s court Daniel s wisdom integrity and trust in God earned him a position of power as he served the king But even when Daniel s wealth and prestige were threatened he remained steadfastly faithful to God The Lord rewarded Daniel for his faith protecting him from those who would do him harm Daniel provides an excellent example of a person who consistently lived his life in a way that honors God Millionaires of the Bible Series The series Money at its Best Millionaires of the Bible examines the lives of key figures from biblical history The books in this series draw on the Bible and other religious writings as well as on legends folktales and the work of modern scholars to show how each of the people profiled used his or her wealth or privileged position in order to make a difference in the lives of others **Faith Works** Joyce Sweeney Martin,1996 *Lotto* John Gilmore,2013-08-09 Did biblical characters gamble in casting lots Did reliance on casting lots encourage gambling Do all risk taking decisions have a gambling element Are Stock Exchange investments a form of gambling As more and more Christians are buying lottery tickets *Lotto Is the Lottery Fun or Folly* examines and argues cogently the biblical theological historical and ethical dimensions of lotteries It provides up to date information on many of the increasingly popular forms of gambling including charity gambling but with particular emphasis on lotteries It explores theological issues and examines biblical and historical viewpoints often overlooked by other works This book is highly readable style and nonjudgmental in its approach It offers practical and pastorally sensitive advice on the control of gambling and each chapter concludes with discussion questions to prompt further study Saving and Secular Faith Brian Albert Gerrish,1999 What does it mean to live by faith Answers are more elusive than ever Beginning with a rich discussion of the Reformation legacy historian theologian B A Gerrish responds that if we release our thinking from sectarian partisan lenses we find that faith denotes a multitude of impulsestrust doubt fidelity and confidenceand is a fundamental human posture It undergirds not only saving faith but also secular varieties in other religious traditionsand even outside religions We all literally live by faith in every phase of our lives Gerrish s prolegomenon to theology goes on to ask what then is the use of belief How in fact do we come to faith And how are religious and secular faith related especially in relation to Jesus Christ Gerrish opens up the notion of faith to encompass the discovery of personal meaning in one s existence and the theological drive to articulate the deepest drives of the human self **The Journal of the Royal Anthropological Institute** ,2003 Articles on all aspects of anthropology *Living Folklore, 2nd Edition* Martha Sims,Martine Stephens,2011-10-31 *Living Folklore* is a comprehensive straightforward introduction to
