**High Cols and Deep Canyons** Stephen Legault,2024-05-13 I am drawn to the empty quarter to open country to the place on the map where there are dragons and giants and the vast open spaces of mountains canyons rivers prairies and oceans However as the subtitle of this book declares I am merely an ordinary adventurer in search of extraordinary places In this series of fascinating and beautifully written essays about his deep desire for meaningful connection with the natural world his steadfast commitment to protecting the wilderness and his life on this vast and precious planet Legault invites us to explore the intricate relationships that develop between people and place when we immerse ourselves in wild nature Whether comfortably ensconced in a favourite easy chair or bedded down by a raging river under a canopy of stars readers will slip between sheer canyon walls walk a wind torn ridge high in the mountains meet Blondie the grizzly bear and perhaps discover their feral selves and the possibilities for a better future that this awakening might bring Time Kathryn Andries,2022-06-03 This book challenges

Irrational Indictment & Imprisonment Jon Schiller,2008-06 This is a horrible true story of an unbelievable and unfair indictment and imprisonment of a loyal American whose only crime was to misread the USG export regulations He spent all his money on an expensive lawyer who said 2 days before the trial You are going to prison Dr Ernest Kelly replied How can I be imprisoned since I did nothing wrong His lawyer answered The prisons are full of people who did nothing wrong Terrified Ernest and his wife caught the next plane to Europe and spent the next 17 years living a new life in Spain until he was arrested and learned what it was like to live in a Spanish prison Extradited to Los Angeles on the advice of his lawyer he agreed to a plea bargain and pled guilty since he didn t have enough money for a trial The judge ignored the advice of the probation officer assigned by the court to evaluate Dr Kelly s case that he be released with time served and instead sentenced him to 2 years in prison and 2 years probation

Folks,Nancy Summers Folks,2014-07-15 Since the early 1970s southern fiction has been increasingly attentive to social issues including the continuing struggles for racial justice and gender equality the loss of a sense of social community and the decline of a coherent regional identity The essays in The World Is Our Home focus on writers who have explicitly addressed social and cultural issues in their fiction and drama including Dorothy Allison Horton Ernest J Gaines Jill McCorkle Walker Percy Lee Smith William Styron Alice Walker and many others The contributors provide valuable insights into the transformation of southern culture over the past thirty years and probe the social and cultural divisions that persist The collection makes an important case for the centrality of social critique in contemporary southern fiction
