Our Time:

Our Time in Vietnam John H. Corns, 2009-12-17 Captain John Corns leads his Special Forces team into the jungles of the Central Highlands of Vietnam in 1963. There is an insurgency and he and his Green Berets have undergone extensive training for the mission of assisting the Vietnamese and Montagnard people in their fight against communist terrorism. What they find is a challenge that resists rapid progress and a cause that leaves destruction and death in its wake. Corns returns four years later as a major and operations officer for the Army Navy Mobile Riverine Force in the Mekong Delta. The conflicting military forces are larger losses to both the insurgent Viet Cong and to American Forces are greater and the sacrifices of men around him beg the question of what will it cost to win and will it be worth the losses. Now a retired Lieutenant General, Corns looks back at those days as a young officer to share the worth to him of that experience, his time in Vietnam with men like himself.

Manage Your Time, Your Work, Yourself Merrill E. Douglass, Donna N. Douglass, 1993 Working faster won't save you more time. Neither will working longer hours. But changing time squandering behavior can lead to less stress, a more balanced life, and greater accomplishments. This newly revised popular guide outlines seven steps that will transform time wasters into time masters. Covering every aspect of time management, it shows you how to set priorities, distinguish short from long term goals, schedule activities, analyze time, streamline paperwork, minimize interruptions, manage travel time, and conquer procrastination. A miniquiz at the beginning of each chapter pinpoints areas for improvement that you can incorporate into your own Time Management Profile. You'll also find many worksheets to complete throughout the book to help you better manage your busy life.

World Peace in Our Time. Howard Dimond, 2022-10-01 This book *World Peace in Our Time* challenges us all to rethink recorded history. It is a struggle to consider the logic of evolution which differs from existing records. Has Humanity Stifled Advancing Wisdom? At birth we are born with an open mind willing to discover the history and complexity of our many different environments. As children in cultural society we learn rules to obey. We are taught any number of fascinating subjects about history, science, language, and social behaviour, just to name a few. More Big Words for Our Time W. Hamp Watson, Jr., J. Frederick Wilson, 2004-11 *More Big Words for Our Time* by W. Hamp Watson Jr. with Dr. J. Frederick Wilson is a book that aims at being a Lift for the Living and a Gift for the Grieving. A sequel to *Frederick Wilson Still Speaks*, *Big Words for Our Time* this book contains six more messages from Frederick Wilson that surfaced from friends that had treasured them since the death of this pastor in 1990. The Rev. W. Hamp Watson Jr., who served over fifty-one years in the South Georgia Conference of the United Methodist Church, has edited these messages and has added ten messages of his own to complete the book. Watson now serves in retirement as Supply Pastor for Glenwood Hills United Methodist Church in Macon, Georgia. Friends of these two pastors have financed all the printing and production costs so that every penny of sales will benefit Wesley Glen Incorporated, a network of group homes sponsored by the South Georgia Conference of the United Methodist Church for Adults with Disabilities. The Book For Our Time! Willy Jeanne Louis De Smedt,2023-11-22 Is it still possible to write something new and valuable about the Revelation The subject of Revelation has always been an intriguing one for both believers and non believers who for centuries have devoted themselves to studying and examining it Consequently many scholars have shared their view about it but almost all of them appear to be in contrast with one another Indeed never in time existed a continuous interpretation as every reader approaches the text from a distinct perspective Nonetheless it has always been evident that the key to Revelations lies within the pages of the Holy Scriptures With this notion in mind The Book For Our Time a translation of the original manuscript published in 1872 was written in order to research and understand along with readers to find the true end and fulfilment of Revelation and in so doing bring a sense of purpose to those who read it Willy Louis Jeanne De Smedt 8 2 1931 25 8 2017 Born in Belgium he moved with his parents to the Democratic Republic of the Congo where he attended a Catholic School Always serious about religion he wished to become a priest but eventually decided not to pursue his dream After moving to South Africa where he qualified as a millwright at Iscor Willy started working as a math teacher at the Military Technical College During a service in the New Apostolic Church Willy heard and learned about the Day of The First Resurrection That s when the project of The Book For Our time started to take form from his desire to inform people about the salvation plan of God He died in 2017 due to Leukemia
