Our True Identity:

Our True Humanity BK Maureen Kris,2010-02-08 The study of religion is not only a challenge but a great responsibility At the same time it is important to always remember that we are also children of the heart and of light so there is love and room to learn and grow together Maybe this book shares a view of it all and opens doors for more understanding and discussion of our future together In peace **Found** Lorie Hartshorn,2024-04-30 What was lost in the garden is found in Jesus Discover how to live loved and live free because that is who you really are Found will enable you to Discover your true identity and reclaim your life Gain a clear perspective on how God sees you Take hold of all that God wants to give you Experience power and purpose in your everyday life Believe that everything available to Jesus is also offered to you

Living in Love Here and Now Ralph DeGruttola,2023-02-09 Who are we Why are we here now Where are we going Human beings have been asking these questions since time immemorial In the Old Testament the identity of God is revealed as living existence In the New Testament God s identity is love This book uses theology philosophy psychology and science to analyze these two identities and unite them in the one God Made in God s image our identity also involves living existence and love It determines our purpose in life here and now as well as our destiny **Total Acceptance III** Timothy Victor,2025-11-27 This book is about healing emotional pain As you may know our emotional pain is rooted in our childhood The belief in this book is many of us began life with what I call a spiritual deficiency This deficiency looks like lacking kindness tenderness encouragement togetherness patience etc Repairing this deficiency leads you to spiritual connection The word spiritual in this book means a scared connection involving unconditional love The word connected give us an immediate pleasant and deeply calming feeling The word disconnect has an equally disturbing unpleasant feeling Which would you rather be This spiritual deficiency creates a disconnection from ourselves to others and God causing anxiety depression feelings of despair hopelessness being overwhelmed and lost If there is abuse the disconnection will be even greater causing even greater emotional pain The cure to all of this is two fold one is mending the disconnection and the other is supplementing the spiritual deficiency The nine spiritual connections in this book build a foundation for you to mend this disconnection while enabling you to more easily express unconditional love in your life These expressions of love are the spiritual supplement Adopting the nine connections combined with a collection of all of our spiritual connections creates what I call spiritual empowerment which will empower you to have a good life As you adopt the nine connections and express spiritual unconditional love your foundation will become you being a loving person who believes the ultimate truth and the highest power in the universe is unconditional love In this book are described four spiritual gifts They are inner peace elevated self worth a sense of belonging and a feeling of being complete The more effort you put into building your foundation as a loving person the greater measure of these four spiritual gifts will be manifested in your life Total Acceptance Timothy Victor,2023-10-11 Totally Acceptance is a spiritual journey Starting with a thought provoking

description of ego it offers a completely loving way for resolution without judgment blame guilt or shame It is about forgiving ourselves and others expressing traits of our higher self and following kindness patience and compassion Totally Acceptance offers a plan to gain high self worth and unconditional love whenever possible It combines the inspiration of the Bible with the wisdom of Buddhism raja yoga and hatha yoga The bottom line the power of love is the ultimate truth and the highest power

The ABC of Sunday Matters Mark O'Brien,2013-10-01 This book provides reflections on the Sunday Bible readings in the Roman Catholic Lectionary for Years A B and C of the liturgical cycle They previously appeared in separate volumes of Sunday Matters published by ATF Theology in the Dominican Series They have now been combined in this single volume colour coded for easier use and with a revised general introduction and introduction to the Gospel of Matthew Like the previous volumes this one is intended to assist those preparing homilies and those with a desire to understand a little more deeply the readings used in the Sunday liturgy

The Call of the Child Bruce McKibben,2021-04-30 Jesus stepped into this world seemingly weak and foolish demonstrating the heart of a Father with a transformational perspective His goal was to bring many sons and daughters to glory to invite us out of our deceptive reality into a strong family likeness with his and our true Father It is a calling to relationships based on the Father s love rather than on value through performance a calling to love enemies to bless the wicked and to gain victory through loss In the midst of the division and fragmentation so prevalent around us the Call of the Child is to be peacemakers who transform our families communities and nations The book you are holding first lays a foundation for seeing like a peacemaker and then gives practical insight into a dozen different realms of peacemaking

Claiming Our True Identity: Unraveling the Mystery of Who We Are in Christ Robert Casady,2022-02-07 How liberating would it be to shed all false identities that we or others have placed on ourselves Claiming our true identity as followers of Jesus begins by believing that Jesus really is in us and we are in him Trying harder gets us nowhere Waking up to who we already are allows us to see our full status as sons and daughters of God We discover our true identity by recognizing that the life of Jesus flows deep within each believer s heart This is God s good work Our part is tapping into the love that has already been deposited in us It s time we move away from the mindset of identity groups pitting people against people to become one in Christ Jesus Let s trade the lies for fresh encounters with God

Learning to Be You David D. Swanson,2012-09-01 We all want the confidence that comes from living out of our true identity but how do we get there We don t magically discover our true selves when we reach our twenties And some of us spend our entire lives feeling like we are living a lie We can be torn apart by our duplicity or we can become so comfortable with putting on various personas to suit our situation that we don t even realize we re doing it But if we are followers and disciples of Christ our identity is already decided What we need to learn is how to understand and embrace it In this honest and penetrating book
