Changing

Relationships with Ourselves and Others Adelphia,2012-03-22 Changing Relationships with Ourselves and Others is the follow up to author Adelphas first book My Journey Within in which she shared her own personal story of self growth and development Here she takes a deeper look into relationships and how they affect both self and others She explores a compilation of both examples of personal and individual growth and the effects of current and past influences for individuals She hopes to offer expansion of your mind through a reminder that what is seen on the surface is not necessarily the bigger picture of your life Rather it is merely that which you choose to show to others not your true inner workings Its easy to get caught up in your own life and that can make it difficult to see the bigger picture hindering you from working toward your bigger goals Changing Relationships with Ourselves and Others also investigates the contracts that are signed by individuals before coming onto the earthly plain These contracts are both for the individual and collective groups indicating what their learning curves will be Nothing you do in life is truly wrong these decisions are simply required so you can experience certain events in your life creating opportunities for growth

Two Worlds Unity Handbook of Self Awareness Ken

Sykes,2012-12-06 The life we make Reflects the truth of who we are The only things in the universe we can control are our

choices By making choices we decide who we are and develop our truth this determines everything else in our life Choices can be based on our beliefs and conditioning and well suffer the emotional stress which goes with them Or we can choose to be self aware realise our higher truth and live in peace and joy Which do you choose The first rule for achieving self awareness is to seek experiential guidance So if you wish to discover yourself and grow spiritually herein you may find light to illuminate your experiences Make no mistake this is not for the faint hearted But it can change your life Trust in yourself listen to your heart and feel self love Questions about the book Contact me at [twoworldsunity gmail com](mailto:twoworldsunity@gmail.com) Visit us on Facebook
