## Outlaw Days

**William W. Johnstone, J.A. Johnstone**

## Outlaw Days:

Outlaw Days Zoe Agnes Tilghman, 1926     **The Outlaw Youngers** Marley Brant, 2021-06-01 The Youngers Bob Cole Jim and John tested the boundaries of the violent and turbulent post Civil War society in which they lived The author investigates the events from the Border and Civil Wars which forged their characters their intricate relationships the innovative train and bank robberies in which they participated and their decades long fight for freedom Brant's extensive research includes unpublished accounts from family members the families of their enemies and victims and hundreds of revealing historical documents The story of the Youngers as more than the folklore figures they have grown to be demonstrates that often the truth is more fascinating than the fiction

*Box Office*, 1950     *The Prophets and Kings* J. Paterson Smyth, Uphilas their bishop when translating the Old Testament for the Goths long ago omitted altogether the four books of Samuel and Kings lest the stories of battle should stimulate too much the fierce spirit of the barbarians In facing the task before me now I could almost wish that it were possible to imitate Bishop Uphilas though for a very different reason For what is one to do with this vast mass of sacred literature nearly thirty books more than three fourths of the whole Old Testament that is covered by the story of the Prophets and Kings How can one deal with it in a single Book of Lessons One might perhaps tell of the kings alone but it would be of little value leaving out their prophets Besides I want to make the prophets stand out in their places each in his own environment each under his own kings to make the pupil acquainted with them and interested in them as men in the hope that he may thus be more induced to acquaint himself and interest himself in some of their writings and also be more likely to understand what they had in their minds The prophets except Isaiah are very little read Groups of sermons and speeches taken out of their setting in time and place with little or no indication as to author or environment are not likely to be interesting Now this is a very large undertaking Covering so wide a field lessons in detail are clearly impossible After full consideration I have decided to treat the whole subject in bold broad outline omitting all but the salient features and trying to keep the personal interest by making it into a series of biographies

**The Wicked Die Twice** William W. Johnstone, J.A. Johnstone, 2021-01-26 Once upon a time in the Old West Slash and Pecos were two of the wildest robbers this side of the Rio Grande Now they're fighting three of the nastiest killers this side of Hell Johnstone Country Where Two Guns Kill Better Than One Not many men get a second chance at life But thanks to a chief U.S. marshal who needs their help the bank robbing duo of Jimmy Slash Braddock and Melvin Pecos Kid Baker are on the right side of the law As unofficial marshals they've agreed to pick up three prisoners from a Milestown jail and escort them to Denver Sounds easy enough until they learn the prisoners are an unholy trio of sadistic cutthroat killers known as Talon Hellraisin Frank and the Sioux called Black Pot And they've managed to escape before Slash and Pecos even show up The three convicts have turned Milestown into their own savage slayground Drinking killing ravaging and worse they're painting the town red with blood and burning it to the ground Slash and Pecos manage to stop them in a nick of time But getting these three to Denver is

another story because the trio s leader has offered a thousand dollar bounty to anyone who can kill Slash and Pecos This is going to be one wicked ride that Slash and Pecos will never forget if they live to tell about it Live Free Read Hard
