Justice [videorecording]DVD)]. Willie Nelson, 2003 Resurrecting Justice Douglas Harink, 2020-09-29 Theologian Douglas Harink invites readers to rediscover Romans as a treatise on justice tracing Paul s thinking on this theme through a sequential reading of the book and finding in each passage facets of the gospel s primary claim that God accomplishes justice in the death and resurrection of Jesus Messiah *Saint Paul and Philosophy* Gert Jan van der Heiden, George Henry van

Kooten, Antonio Cimino, 2017-08-07 The much acclaimed present day philosophical turn to the letters of Saint Paul points to a profound consonance between ancient and modern thought Such is the bold claim of this study in which scholars from contemporary continental philosophy new testamentary studies and ancient philosophy discuss with each other the meaning Paul s terms pistis faith In this volume this theme discusses in detail the threefold relation between Paul and 1 continental thought 2 the Graeco Roman world and 3 political theology It is shown that pistis does not only concern a mode of knowing but rather concerns the human ethos or mode of existence as a whole Moreover it is shown that the present day political theological interest in Paul can be seen as an attempt to recuperate Paul s pistis in this comprehensive sense Finally an important discussion concerning the specific ontological implications and background of this reinterpretation of pistis is examined by comparing the ancient ontological commitments to those of the present day philosophers Thus the volume offers an insight in a crucial consonance of ancient and modern thought concerning the question of pistis in Paul while not forgetting to stipulate important differences
