*The Ocean of Mirth* Jyotirmaya Sharma,2019-08-29 The Ocean of Mirth brings together an English translation and an analytical interpretation of a singularly crucial but obscure Sanskrit medieval text the H sy r ava Prahasana of Jagad vara Bha ch rya As a political satire the volume finds significant resonances among contemporary questions of politics and society across the world and examines the tension inherent in the clash of ideas such as freedom and order In an unabashed celebration of disorder as the only way to fight violence tyranny and autocratic impulses H sy r ava suggests no return to a Golden Age or to the rule of an iconic king nor is there a promise of a saviour a political farce that ends without any denouement in sight One of the first authentic English translations of a neglected Sanskrit text from medieval India this translation throws up interesting questions regarding values such as freedom violence order chaos and disorder This volume will be a major intervention in the discovery of a significant non canonical text of classical literature and will be indispensable for students scholars and researchers of politics philosophy sociology Indian literatures Indology comparative literature and culture studies

**Natural Aphrodisiacs** Ravi K. Puri Ph.D.,Raman Puri MD.,2011-12-05 The widespread use of effective prescription drugs for erectile dysfunction has helped advance society's acceptance of talking about sexual dysfunction for both men and women As the authors elegantly describe sexual dysfunction and attempts at treating it have been around for as long as sexuality itself Its no surprise that history is full of myths about aphrodisiacs Despite all the advances we have made in medicine the myth of the aphrodisiacs is as powerful as ever However sexual dysfunction is very often a complex problem requiring careful thoughtful and educated treatment Rarely is there quick natural fix Consumers need to do their homework before buying into the claims of companies selling natural aphrodisiacs This book is an excellent resource for those seeking to educate themselves about the history effectiveness safety and future of natural aphrodisiacs Nevertheless the information contained within the text is also important and valuable for both sides of the patient physician equation in the treatment of sexual dysfunction Siobhan Hyland McGaughey M D Urologist Urology Associates of central Missouri Columbia MO 65201 The authors have expressed very clearly the various merits and demerits of natural aphrodisiac products on the market Discussion on the future prospects of plant used as aphrodisiacs is excellent information for the phytochemists who are interested to pursue research limitations in the area of existing natural aphrodisiacs and their standardizations is consistent with the rising interest of global consumers in green environment A special effort in creating the drawings of the natural products for enabling readers to identify the natural products is phenomenal I recommend this book to the lovers of natural products without any hesitation I hope that manufacturers

scholars and consumers of natural aphrodisiac products will take advantage of this document in years to come Usha Chowdhary Ph D Professor Human Environmental Sciences Central Michigan University Mount Pleasant MI 48859 The latest research on herbal aphrodisiacs cited by the authors is very impressive The appropriate quotations at the beginning of each chapter are very fascinating It is a comprehensive compendium on natural aphrodisiacs comprising their origin myth chemistry pharmacology risk and romance Hand drawings of the plants are excellent and depict their morphological characteristics that can be helpful in identifying them The book is actually a ready reckoner for physicians pharmacist or herbalists for guiding the patients who are incorporating natural products in their daily regime K C Varma Ph D Emeritus Professor Chief Editor Indian Journal of Natural Products India

**Time Space and You** Azar,2020-12-08 Making sense of the world around us and understanding what we are is a burning desire every human being experiences and this book is a comprehensive response to this urge In this work the nature of the Universe is examined from the day it originated and human nature is analyzed from the day Homo sapiens evolved from the hominids to the present Along the way the very enigmatic questions of origins of life love sex and God are explained with the backing of well researched and documented scientific truths The vast knowledge the world has gained through the ages on evolution anthropology archaeology geology history sociology and all relevant scientific disciplines has been harnessed Great care has been taken to present these complex issues in the most simple and clear language so that everybody understands Science is basically a study of nature Any person who tries to understand nature in depth gets dazed by the wonders that unfold before him The beauty harmony unity and the unbelievable manifestations in which the universe presents itself go beyond any human imagination At this point anyone becomes spiritual There is no quarrel between the spiritualists and scientists at this deepest level There is only unity and harmony This work is for those who want to understand this world realize what they are and enjoy the bliss and peace such awareness brings
