Cooking Up Library Programs Teens and 'Tweens Will Love Megan Emery Schadlich,2015-06-23 Engage teens and tweens with library programs that nurture developmental and social needs and keep young patrons entertained Want to get students tuned in learning and having fun Covering programs ranging from DIY Modern Crafts to CSI Science these simple plans will give you all the knowledge you need to create complete programs for tweens and teens activities that students will find engaging and entertaining For each activity the author identifies aspects that link to STEAM learning objectives The educational ties help students learn about new topics while fostering the development of important life skills While the plans are geared towards public librarians they can easily be adapted to the school or home environment so parents teachers and anyone else who works with teens and tweens can create and implement these fun and unique programs **Help Me Help My Teen** Maggie Dent,2024-07-30 I love Maggie s style Quite simply when she talks we should listen Hamish Blake A masterpiece this book is the answer we ve been waiting for Dr Vanessa Lapointe Australia s favourite parenting expert on how to understand and help our teens so they can thrive Adolescence has always been a time of huge transformation but today s teens deal with challenges that parents may never have imagined An increasingly digital world filled with social media gaming and harmful content along with changing cultural norms has intensified the pressure to excel and fit in leading to heightened levels of stress anxiety and depression Maggie Dent Australia s queen of common sense parenting believes that teens can handle these pressures with resilience and strength when they are supported by stable loving connections with family teachers and other caring adults Drawing on up to date research a survey of modern teens and her own experiences as a teacher counsellor and mother and her memories of being a teen Maggie provides clear and compassionate what to do advice for some of the most difficult sensitive topics such as technology use sex drugs and alcohol dropped school grades mental health and identity and shows us how we can provide a safe and supportive environment for all our teens Help Me Help My Teen is a reassuring practical guide for parents to help teenagers navigate adolescence and grow into confident capable adults **When Church Kids Go Bad** Les Christie,2008-10-21 You may have an amazing program and be well connected to your students but that doesn t always guarantee a problem free ministry Whether it s the guy in the back of the room who s always causing trouble or the girl in the corner with a look of indifference disruptive and apathetic students can hinder the effectiveness of your ministry But you don t have to let discipline problems drive you out of youth ministry or out of your mind In this practical book youth ministry veteran Les Christie will help you take a positive approach to discipline when it becomes necessary When Church Kids Go Bad will reveal the reasons behind problem behavior and show you how to take a positive approach to discipline teach you how to use rules and consequences effectively help you evaluate your strengths and weaknesses in discipline situations and improve your areas of weakness give you dozens of specific practical helpful ideas you can use immediately with your studentsIn addition to addressing the issues that are common to any youth

ministry setting Les will also give special attention to issues that present even more challenge such as alcoholism and vandalism students with learning differences and teens with attention deficit disorders After reading this book you ll feel confident in your ability to use discipline as a tool to keep your group from disintegrating into chaos and frustration and you ll be equipped to prevent future problems from popping up

**Keeping 6** Norman Sharkey, 2012-11 Keeping 6 is an in depth description of addiction in all its stages covering both low bottom high bottom and all bottoms in between It also contains important tips on detection and prevention and possible intervention Keeping 6 may not touch every addict s using patterns but if someone feels that drugs are becoming a problem they should be able to relate Drugs are very sneaky and are constantly telling the user that there is very little problem if any The purpose of Keeping 6 is to allow drug users as well as their loved ones to make a determination in concert with each other that a problem exists Relapses which are considered part of recovery are dealt with extensively in this book There are many situations in an addict s life that can cause a relapse but the most common cause usually revolves around sexual problems Addicts are good at denying things and this is an area where they are most vehemently in denial Most will laugh off any talk about sex and incest and say that their relapse had absolutely nothing to do with sex even to the point of becoming very angry at the suggestion This book gives a step by step plan to those who are serious about ending addiction What you have in this book is a picture into the dark side but also provides a real solution It s easy to read sometimes funny and sometimes sad but always hopeful James Burgess author of Chaos How to Master the Power of Focus
