Love Visions:

Studies in Chaucer's Hous of Fame Wilbur Owen Sypherd,1907 [Studies in Chaucer's Hous of Fame](#) , **An Introduction to Medieval English Literature** Anna Baldwin,2015-11-15 This is a comprehensive guide to a literary period characterized by great variety and imagination and vividly alert to the social transformations overtaking society Spanning almost two centuries it introduces the reader to a diverse range of authors writing for a fast developing readership of both men and women Each chapter focuses on a group of genres primarily associated with a particular social class from the Drama and Saints Lives accessible to the illiterate to the sophisticated Romances of Love savoured by the aristocracy and the Court Lively historical narratives place each group of texts in their social political and cultural contexts Significant or typical texts are given more detailed analysis that includes critical issues and questions to guide the reader s own approach and each section is supported by a detailed bibliography of further reading [Love Visions](#) Geoffrey Chaucer,2006-05-25 Spanning Chaucer s working life these four poems build on the medieval convention of love visions poems inspired by dreams woven into rich allegories about the rituals and emotions of courtly love In The Book of the Duchess the most traditional of the four the dreamer meets a widower who has loved and lost the perfect lady and The House of Fame describes a dream journey in which the poet meets with classical divinities Witty lively and playful The Parliament of Birds details an encounter with the birds of the world in the Garden of Nature as they seek to meet their mates while The Legend of Good Women sees Chaucer being censured by the God of Love and seeking to make amends for writing poems that depict unfaithful women Together the four create a marvellously witty lively and humane self portrait of the poet **The Oxford History of Poetry in English** Julia Boffey,A. S. G. Edwards,2023-04-12 The Oxford History of Poetry in English is designed to offer a fresh multi voiced and comprehensive analysis of poetry from Anglo Saxon culture through contemporary British Irish American and Global culture including English Scottish and Welsh poetry Anglo American colonial and post colonial poetry and poetry in Canada Australia New Zealand the Caribbean India Africa Asia and other international locales The series both synthesizes existing scholarship and presents cutting edge research employing a global team of expert contributors for each of the fourteen volumes This volume explores the developing range of English verse in the century after the death of Chaucer in 1400 years that saw both change and consolidation in traditions of poetic writing in English in the regions of Britain Chaucer himself was an important shaping presence in the poetry of this period providing a stimulus to imitation and to creative expansion of the modes he had favoured In addition to assessing his role this volume considers a range of literary factors significant to the poetry of the century including verse forms literary language translation and the idea of the author It also signals features of the century s history that were important for the production of English verse responses to wars at home and abroad dynastic uncertainty and movements towards religious reform as well as technological innovations such as the introduction of printing which brought influential changes to the transmission and reception of verse writing The volume is

shaped to include chapters on the contexts and forms of poetry in English on the important genres of verse produced in the period on some of the fifteenth century's major writers Lydgate Hoccleve Dunbar and Henryson and a consideration of the influence of the verse of this century on what was to follow **All About Love** bell hooks, 2018-01-30 The word love is most often defined as a noun yet we would all love to better if we used it as a verb writes bell hooks as she comes out fighting and on fire in All About Love Here at her most provocative the renowned scholar cultural critic and feminist skewers our view of love as romance In its place she offers a proactive new ethic for a people and a society bereft with lovelessness As bell hooks uses her incisive mind and razor sharp pen to explode the question What is love her answers strike at both the mind and heart In thirteen concise chapters hooks examines her own search for emotional connection and society's failure to provide a model for learning to love Razing the cultural paradigm that the ideal love is infused with sex and desire she provides a new path to love that is sacred redemptive and healing for the individuals and for a nation The Utne Reader declared bell hooks one of the 100 Visionaries Who Can Change Your Life **Catalogue of Title-entries of Books and Other Articles Entered in the Office of the Librarian of Congress, at Washington, Under the Copyright Law ...
