**The One Who Loves Us** Kess Frey, 2014-08-26 This far ranging book presents God the Ultimate Mystery of non created Reality as Christ the One Who loves us Spirituality beyond language and in general the inner mystical meaning of the Cross of Christ differing Christian windows found in the stages of evolving consciousness identified by Integral Theory and Centering Prayer s close relationship to all of this are core themes in this work An important insight of Integral Theory reveals that when people are unaware of the stages of evolving consciousness they tend to believe that the perspectives of their own stage s are the only true or realistic views which is actually untrue and leads to needless confusion conflict and misunderstandings among individuals in different stages of evolving consciousness Additionally prayer the allegorical sense of Scripture Lectio Divina grades of evolving love duality non duality and apophatic theology are also major topics discussed The gift of non conceptual contemplation into which Centering Prayer leads us is shown to be a key to Christian unity and harmony among all religious and spiritual traditions seeking to serve the One Who loves us Non conceptual Centering Prayer as a movement into simplicity and silence is readily available to people seeking a deeper spirituality in all denominations and in all stages of evolving consciousness

**The Imprint Journey** Liliane Desjardins, 2011-02-25 Ever Wonder Why The Same Patterns Happen To You Over And Over Again We all have imprints both negative and positive An imprint is a belief that shapes our thoughts and actions a belief we often hold unconsciously Liliane Desjardins a certified clinical addiction specialist co founder of Pavillon Gilles Desjardins and co creator of the Desjardins Unified Model of Treatment of Addictions sets forth in The Imprint Journey an exploration of imprints how they govern our lives and how we can reprogram our minds to function in new and fulfilling ways The Imprint Journey is equivalent to reading two powerful books in one Liliane spends the first section telling her own story a childhood in war torn Croatia the death of her mother being an immigrant first to France and later French Canada and the addictions and dysfunctions that marred her life until a suicide attempt resulted in a near death experience Her own personal recovery led her on a mission to help others find their own freedom from self imposed and self limiting imprints The second half of this powerful book provides an anatomy of our imprints revealing how to transform them so we are free to be our authentic selves Liliane includes eight powerful personal stories of people who have overcome their imprints including religious sexual and cultural limitations as well as an overview of how understanding and rewriting our imprints can shape the human race s future as we all experience individual Oneness Readers will find themselves turning to The Imprint Journey again and again as a guide to relieve fears and to discover powerful truths about themselves that will transform them into their authentic selves Acclaim For Desjardins The Imprint Journey Liliane writes from the depth of her own experience with passion and power and a keen understanding of the human psyche Her insights lift the reader above their own past patterns providing insight both comforting and striking The book inspires hope that no matter what we ve been through fundamental change is possible Marianne Williamson author A Return To Love The Imprint

**Ruskin Bond A Study of Human Emotions** Dr. Sangeeta Paul Budhiraja, Literature challenges one not only to think about ethical conundrums but also makes one sensitive and compassionate When it blends with euphoria and nostalgia the integral parts of human mind it toughens and becomes sturdy Man loves to live in his past memories to be happy The experiences form a part of human personality and shape their behaviour pattern Nostalgia stores for us our memories which we relish lifelong Even the lamentable days of past become pleasant Though we might have ignored some not too pleasant incidents in our bygone days yet somewhat bitter experiences appear to be impressive and attractive It is aptly said that the panorama of mountains appear beautiful and splendid from a distance The bitterness of nearness is intolerable The more we grow in years the more our past recedes Distance from the life lived long ago makes it sweet and desirable Strain and stress of the present becomes frivolous when we slip and relapse into euphoric nostalgia The instincts of euphoria and nostalgia have been vividly handled by the legendary writers of all times They have given various dimensions and definitions to the readers to redeem these human aspects yet many more stones are still unturned These two instincts in the oeuvre of the legendary writer Ruskin Bond are the anchor points that suggest the scope of study I have chosen to put forward the very idea about how a man's body mind and soul blend with traces of his past memories and support the holistic growth
