Loving Che A Novel:

Loving Che Ana Menéndez, 2004-01 In the aftermath of Castro's revolution a man flees Cuba with his daughter's baby and finds pinned on its clothes three lines of a Pablo Neruda love poem Decades later the baby returns to Havana as a young woman searching for the mysterious mother who abandoned her

Loving Che Ana Menéndez, 2007-12-01 In this evocative first novel an elderly woman looks back on the world of revolutionary Cuba as she recalls her intimate secret love affair with Ernesto Che Guevara Publishers Weekly A young Cuban woman has been searching in vain for details of her birth mother All she knows of her past is that her grandfather fled the turbulent Havana of the 1960s for Miami with her in tow and that pinned to her sweater possibly by her mother were a few treasured lines of a Pablo Neruda poem These facts remain her only tenuous links to her history until a mysterious parcel arrives in the mail Inside the soft worn box are layers of writings and photographs Fitting these pieces together with insights she gleans from several trips back to Havana the daughter reconstructs a life of her mother her youthful affair with the dashing charismatic Che Guevara and the child she bore by the enigmatic rebel *Loving Che* is a brilliant recapturing of revolutionary Cuba the changing social mores the hopes and disappointments the excitement and terror of the times It is also an erotic fantasy a glimpse into the private life of a mythic public figure and an exquisitely crafted meditation on memory history and storytelling Finally *Loving Che* is a triumphant unveiling of how the stories we tell about others ultimately become the story of ourselves A moving novel from a writer to watch Publishers Weekly Inventive and hypnotic An artful and restless examination of the exile soul Los Angeles Times Menéndez captures Cuba's potential its desperation and decay and also its dark humor The New York Times The writing is consistently beautiful Highly recommended Library Journal

Archival Dissonance in the U.S. Cuban Post-Exile Novel

Gregory Helmick, 2016-01-14 *Archival Dissonance in the U.S. Cuban Post-Exile Novel* documents a body of emergent US Cuban literature published in Spanish and English beyond the scope and historicity of exile Focusing on the work of Roberto G. Fernández Ana Menéndez and Antonio Benítez Rojo the book proposes that rather than reinforce US Cuban exile ethnic identity developed between 1960 and the 1980s or demonstrate a tendency toward cultural assimilation Americanization over three generations of writers the discussed historical novels incorporate Caribbean and Latin American archival sources and interpretive frameworks in order to develop a critical and investigative approach to the politics of Cuban exile historiography Published before the recent apertura between the US and Cuban governments these post-exile novels anticipate themes of displacement migration and social marginalization as common rather than exceptional features of modern and historical life as well as such other current and historical topics as gender construction and performance figurations of race the commoditization of culture and urban poverty The post-exile historical novel points to a future for US Cuban narrative and historiography in part by investigating and featuring dissonances hidden or unacknowledged in previous Cuban exile historical fiction The literature studied in this book further reinforces a view of two-way migration between Cuba and the

United States as a normal phenomenon predating 1959 and at the same time as a likely shape of things to come **Mommy Angst** Ann C. Hall, Mardia J. Bishop, 2009-10-27 This revealing work looks at representations of motherhood from a wide range of pop culture sources to explore larger questions about the image and self image of mothers in the United States How has the popularity of Gilmore Girls influenced perspectives on teenage pregnancies How did the mother in law assume such monstrous proportions Did the Republicans view of motherhood and their continual hectoring of Hillary Clinton for putting ambition ahead of family cost them the 2008 election Mommy Angst Motherhood in American Popular Culture considers questions like these as it probes our country's views on mothers and how those views shape and are shaped by the habitually oversimplified portrayals of mothers in pop culture politics and the media Mommy Angst gets at the heart of America's anxious ambivalence toward mothers whether sanctifying them vilifying them or praising the ideal of motherhood while thoroughly undervaluing the complexities of their lives and their contributions to family and society To highlight the many sides of motherhood the collection contrasts the lives of a diverse range of real moms with their pop culture representations including Jewish mothers Cuban mothers teenage mothers mothers with disabilities working versus stay at home moms and more **Cuban American Fiction in English** Delores M. Carlito, 2005-05-25 Among Hispanic literatures Cuban American fiction is unique because of the Cuban American disposition to regard themselves as exiles rather than immigrants Many Cuban Americans have never been to Cuba and therefore must rely on the memories of those around them to draw conclusions about it These writers have grown up with English as their primary social language and feel more comfortable using English in their writing Until now no listing or bibliography has ever been compiled of Cuban American fiction written in English or its criticism As more works by Cuban Americans are being published every year a resource for such titles has become necessary The body of literature needs a publication that addresses the works of Cuban American authors for those who want an introduction to the subject more general knowledge about the topic or a more solid foundation from which to research it This is the first comprehensive work to address Cuban American fiction originally written in English It contains listings and annotations of all novels anthologies and short story collections written by the first and second generations of Cuban Americans This work also possesses listings and annotations of all secondary works that focus on this fiction Works begin in 1963 with *A Wake in Ybor City* by Jose Yglesias and run well into the first decade of the 21st century *Identity, Memory, and Diaspora* Jorge J. E. Gracia, Lynette M. F. Bosch, Isabel Alvarez Borland, 2009-01-08 This fascinating volume contains interviews with nineteen prominent Cuban American artists writers and philosophers who tell their stories and share what they consider important for understanding their work Struggling with issues of Cuban American identity in particular and social identity in general they explore such questions as how they see themselves how they have dealt with the diaspora and their memories what they have done to find a proper place in their adopted country and how their work has been influenced by the experience Their answers reveal different perspectives on art literature and philosophy and the

different challenges encountered personally and professionally The interviews are gathered into three groups nine artists six writers and four philosophers An introductory essay for each group is included and the interviews are accompanied by brief biographical notes along with samples of the work of those interviewed **Cuban-American Literature and Art** Isabel Alvarez Borland, Lynette M. F. Bosch, 2009-01-26 This groundbreaking collection offers an understanding of why Cuban American literature and visual art have emerged in the United States and how they are so essentially linked to both Cuban and American cultures The contributors explore crucial issues pertinent not only to Cuban American cultural production but also to other immigrant groups hybrid identities biculturation bilingualism immigration adaptation and exile The complex ways in which Cuban Americans have been able to keep a living memory of Cuba while developing and thriving in America are both intriguing and instructive These essays written from a variety of perspectives range from useful overviews of fictional and visual works of art to close readings of individual texts The Last War Ana Menendez, 2009-05-26 A powerful and haunting novel of love and war from the acclaimed author of *In Cuba I Was a German Shepherd and Loving Che*

Symbolism 17: Latina/o Literature Rüdiger Ahrens, Florian Kläger, Klaus Stierstorfer, 2017-10-10 The complex nature of globalization increasingly requires a comparative approach to literature in order to understand how migration and commodity flows impact aesthetic production and expressive practices This special issue of *Symbolism An International Journal of Critical Aesthetics* explores the trans American dimensions of Latina o literature in a trans Atlantic context Examining the theoretical implications suggested by the comparison of the global North global South dynamics of material and aesthetic exchange this volume highlights emergent Latina o authors texts and methodologies of interest in for comparative literary studies In the essays literary scholars address questions of the transculturation translation and reception of Latina o literature in the United States and Europe In the interviews emergent Latina o authors speak to the processes of creative writing in a transnational context This volume suggests how the trans American dialogues found in contemporary Latina o literature elucidates trans Atlantic critical dialogues **Latina Magazine** ,2006 *Book Review Digest* ,2008 *Latino Boom* John S.
