## **Loving Surrender:**

**Surrender to Love** David G. Benner, 2003-04-28 David Benner explores the twin themes of love and surrender as the heart of Christian spirituality He leads you to an unexpected place where yieldedness to God frees you to become who he created you to be *Surrender, Going Through God's Providential Love and Care...* , **A Phenomenology of Love and Hate** Peter Hadreas, 2016-03-23 Using phenomenology to uncover the implicit logic in personal love sexual love and hatred Peter Hadreas provides new insights into the uniqueness of the beloved and offers fresh explanations for some of the worst outbreaks of violence and hatred in modern times Topics discussed include the value and subjectivity of personal love nudity and the temporality of sexual love the connection between personal sexual love and the incest taboo the development of group focused hatred from individual focused hatred and prejudicial discrimination The work encompasses analysis of philosophers and writers from ancient times through to the present day and examines such episodes as the Oklahoma City Federal Building bombing and the Columbine High School massacre **Love and Surrender** Gina Lake, 2014-09-28 Love and Surrender explains the important role that surrender plays in releasing us from bondage to our conditioning into the freedom and love of our true nature Surrender is the miracle that occurs when we are finally able to let go and let things be as they are When this happens we are Home and love naturally flows to ourselves to others and to life This is our natural state and the direction and goal for every human life But how do we surrender In Love and Surrender Jesus as dictated to Gina Lake unveils this great mystery so that you can more easily live your life from a place of love acceptance peace and happiness This book is one in a trilogy of books by Jesus which includes Choice and Will and Beliefs Emotions and the Creation of Reality The books in the trilogy can be read in any order They are also available in a single volume called The Jesus Trilogy From Love and Surrender Surrender is the means by which you come to know Love or God Love and surrender are important because they bring you your deepest heart's desire as a human being You are meant to be happy to love to be at peace and to be free You are meant to move from fear contraction hopelessness anger victimization and hate to trust expansion strength courage joy peace and love This transformation comes about through surrender All of the spiritual practices ever invented are designed to accomplish this one thing Surrender is the boat that takes you from one shore to another from the limited human experience to the experience of the Divine incarnate This was my message in times gone by and it is my message today You are not only human but divine and you are meant to flourish and love one another *The Philosophy of Sri Chinmoy* Kusumita P. Pedersen, 2021-06-28 This is the first book length study of the thought of Sri Chinmoy 1931 2007 who became well known during his lifetime as the exponent of a dynamic spirituality of integral transformation which he set forth in an extensive body of writings in both prose and poetry mostly in English but also in his native Bengali He held that all fields of human endeavor can be venues of spiritual transformation when founded in aspiration and contemplative practice He is noted not only as a spiritual teacher but also as an advocate of peace a composer and musician

an artist and a sportsman who created innovative programs promoting self transcendence and understanding between people of all cultures and walks of life This study of Sri Chinmoy s philosophy refers to these diverse activities especially in the biographical first chapter but is mainly based on his written works The book s aim is to give to the reader a straightforward and unembroidered account of Sri Chinmoy s philosophy It makes every attempt to allow Sri Chinmoy to speak for himself in his own words and thus provides ample quotation and draws on his poetic works as much as on his other writings *Loving Surrender* Catherine GRANT,1992
