## Loving Adversaries:

Disputed Questions on Virtue Saint Thomas Aquinas, Jeffrey Hause, Claudia Eisen Murphy, 2010-03-12 Introduction and Commentary by Jeffrey Hause The third volume of The Hackett Aquinas a series of central philosophical treatises of Aquinas in new state of the art translations accompanied by a thorough commentary on the text

### **The Love of Enemy and Nonretaliation in the New Testament**

Willard M. Swartley, 1992-01-01 The essays in this irenic book explore two pervasive New Testament teachings that are foundational to peace Jesus commands to love enemies and not to retaliate against those who do evil These themes are covered from a variety of perspectives showing the impact of Jesus teaching throughout the New Testament

The Significance of Interpersonal Forgiveness in the Gospel of Matthew Isaac Kahwa Mbabazi, 2013-10-21 Isaac Mbabazi makes a major contribution to the field of New Testament by arguing that the relevant Matthean theme of interpersonal forgiveness is quite central to the first Gospel In The Significance of Interpersonal Forgiveness in the Gospel of Matthew he delineates five sets of evidence in support of his argument Beginning with a survey of all Matthean forgiveness and forgiveness related texts he then carries out an in depth exegesis of two key Matthean texts in which the idea of interpersonal forgiveness is explicit Discourse analysis informs his discussion offering valuable insight into Matthew's point of view Mbabazi notes that the forgiveness pattern that emerges from contemporary Greco Roman literature differs remarkably from the pattern found in Matthew where granting forgiveness appears not only as a reasonable act but reluctance or failure to grant it makes the unforgiving person accountable to God

### **Who Are Our Enemies and How Do We Love Them?**

Hyung Jin Kim Sun, 2020-10-27 Who are our enemies And what would it mean to love them Hyung Jin Kim Sun leads us on an exploration of God's call to love our enemies What did Jesus demonstrate and teach about loving enemies How is nonviolence connected to Christian faith and spirituality Isn't violence sometimes necessary Does loving our enemies really work What is the goal of enemy love and how can it be applied in our everyday lives This book won't answer every question about a Christian practice of nonviolence but it will lead toward a deeper faith as we consider how to live with enemies in a violent world The Jesus Way Small Books of Radical Faith delve into big questions about God's work in the world These concise practical books are deeply rooted in Anabaptist theology Crafted by a diverse community of internationally renowned scholars pastors and practitioners The Jesus Way series helps readers deepen their faith in Christ and enliven their witness

Practical Theology Peter Kreeft, 2014-10-17 Saint Thomas Aquinas has been admired throughout the ages for his philosophical brilliance and his theological sanity but author and professor Peter Kreeft thinks the practical spiritual wisdom of Aquinas is just as amazing In this book Kreeft brings together 358 useful everyday insights from Aquinas masterpiece the Summa Theologiae He pairs these easily digestible quotes from the Summa with his own delightfully written commentary in order to answer the kinds of questions real people ask their spiritual directors These 358 passages from the Summa have helped Kreeft in his own struggles to grow closer to the Lord His practical personal and livable advice is the fruit of his

labors to apply the insights of Aquinas to his own quest for sanctity happiness and union with God [Loving Our Enemies](#) James H. Forest, Jim Forest, 2014 Not everything Jesus taught must be regarded as a commandment Counsels on voluntary poverty or celibacy for instance have been seen as an option for a small minority of Christ s followers The same cannot be said about the love of enemies This does not fall in the if you would be perfect category It is instead basic Christianity which Jesus taught through direct instruction through parables and by the example given with his own life And yet it is undoubtedly the hardest commandment of all one that runs counter to our natural inclinations It is as Jim Forest shows a commandment that calls for prayer discernment and constant practice Along with reflections drawn from scripture the lives of the saints and modern history Forest offers nine disciplines of active love including praying for enemies turning the other cheek forgiveness and recognizing Jesus in others that make the love of enemies if not an easier task then a goal worth striving toward in our daily lives [\*\*Love Your Enemies\*\*](#) Sharon Salzberg, Robert Thurman, 2023-08-01 Coping with anger and pain is more challenging than ever in these times and more necessary Two acclaimed Buddhist teachers offer strategies and wisdom in a book that s been called possibly the most inspiring and liberating meditation on love ever written When people and circumstances upset us how do we deal with them Often we feel victimized We become hurt angry and defensive We end up seeing others as enemies and when things don t go our way we become enemies to ourselves But what if we could move past this pain anger and defensiveness Inspired by Buddhist philosophy this book introduces us to the four kinds of enemies we encounter in life the outer enemy people institutions and situations that mean to harm us the inner enemy anger hatred fear and other destructive emotions the secret enemy self obsession that isolates us from others and the super secret enemy deep seated self loathing that prevents us from finding inner freedom and true happiness In this practical guide we learn not only how to identify our enemies but more important how to transform our relationship to them Love Your Enemies teaches us how to break free from the mode of us versus them thinking develop compassion patience and love accept what is beyond our control embrace lovingkindness right speech and other core concepts First published in 2013 Love Your Enemies is more than ever required reading for navigating our world Throughout authors Sharon Salzberg and Robert Thurman draw from ancient spiritual wisdom and modern psychology to help you find peace within yourself and with the world Includes new prefaces from both authors
