Low Level Hell:

Low Level Hell Hugh L. Mills, Jr., 2009-01-16 The aeroscouts of the 1st Infantry Division had three words emblazoned on their unit patch Low Level Hell It was then and continues today as the perfect concise definition of what these intrepid aviators experienced as they ranged the skies of Vietnam from the Cambodian border to the Iron Triangle The Outcasts as they were known flew low and slow aerial eyes of the division in search of the enemy Too often for longevity s sake they found the Viet Cong and the fight was on These young pilots 19 22 years old invented the book as they went along Praise for Low Level Hell An absolutely splendid and engrossing book The most compelling part is the accounts of his many air to ground engagements There were moments when I literally held my breath Dr Charles H Cureton Chief Historian U S Army Training and Doctrine TRADOC Command Low Level Hell is the best bird s eye view of the helicopter war in Vietnam in print today No volume better describes the feelings from the cockpit Mills has captured the realities of a select group of aviators who shot craps with death on every mission R S Maxham Director U S Army Aviation Museum **Low Level Hell** Hugh L. Mills, 1993-06-01 The first hand account of a special breed of Vietnam aviator by a highly decorated pilot whose exploits in armed helicopters have become legendary His chopper wasn t designed to fight but 21 year old Hugh Mills had other ideas His troop of scouts made up their own rules and made aerial warfare history **Professional Journal of the United States Army** , 1993 *In Our Image* Susan Alan, 2009-02 The relatively quiet lives of a Vermont couple Connie and Alex forever change one foggy morning when they stumble upon the following phrase in Genesis And God said Let us make man in our image after our likeness Why were these plural pronouns used Who was us and our Was it possible that the bible was actually describing the creation of humankind by extraterrestrials Determined to find an answer the couple begins to research further and their suspicions are confirmed Wanting to share all of the information they have gathered Connie starts a blog She learns that many of the women who read her blog have seen a UFO and have Rh negative blood similar to Connie Were they brought together for a reason This is Susan Alan s first novel Although this tale is purely fiction the literary art and electronic references are all real It is Ms Alan s desire that this story not only entertain but also fuel thought and discussion **Military Review** , 1993 **Summary of Hugh L. Mills, Jr. & Robert A. Anderson's Low Level Hell** Everest Media, 2022-06-04T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The scout and gun team would check the highway up to An Loc and the scout would check the area near the highway One night I saw two dark brown eyes staring up at me from a hole dug into the ground I flew over the area and saw footprints leading to a drainage ditch that stretched for nearly a mile 2 The head of the convoy was just seconds away from an ambush when the Loach pilot flew right into it The enemy opened fire on the convoy and Parker and the helicopter pilot flew right through it 3 The battle between Charlie and the convoy continued with ferocity The enemy s RPGs did the most damage Once a vehicle was disabled with rocket fire the automatic weapons would open fire The key was to break free of the killing zone

and accelerate out of the ambush area 4 I made my first pass from south to north right down on the deck ten to fifteen yards out from the highway I keyed Sinor with a report that the enemy force had been severely damaged I saw forty to fifty bodies strewn around many body parts and numerous blood trails and drag marks Hostile Skies David Morgan,2012-09-06 The gripping personal story of a Falklands Fighter Ace David Morgan RAF officer and poet relives his experiences during the Falklands War in this vivid memoir On secondment to the Royal Navy when the Argentine invasion of the Falklands began and personally credited with shooting down two Argentine Skyhawks as well as enemy helicopters Morgan was later awarded the Distinguished Service Cross Here he recounts his involvement in the first British air strike against Argentine positions around Port Stanley and describes being first on the scene when enemy jets bombed the landing ships SIR TRISTRAM and SIR GALAHAD Including the author s heartfelt letters sent back to England to close family and friends HOSTILE SKIES dramatically recalls what it was really like to fight live and love during the Falklands War *The Cumulative Book Index* ,1992 A world list of books in the English language Contexts of Behavior Robert J.
