**The Truth Behind the Lies** Jaeson D. Rau,2018-09-24 The TRUTH Behind the LIES is written by a man who had been arrested for promoting peace conscious awareness and living without government control Years later free from his prison and on a mission to find his beloved wife he finds refuge and an empty journal While writing about what he thinks caused World War III he makes the grim realization it was not up to the governments or military to make sure that mankind was peaceful It was up to each of us    **Lucifer** ,1893    **Lucifer Ascending** Bill Ellis,2014-10-17 Despite their centuries old history and traditions witchcraft and magic are still very much a part of modern Anglo American culture In Lucifer Ascending Bill Ellis looks at modern practices that are universally defined as occult from commonplace habits such as carrying a rabbit s foot for good luck or using a Ouija board to more esoteric traditions such as the use of spell books In particular Ellis shows how the occult has been a common element in youth culture for hundreds of years Using materials from little known publications and archives Lucifer Ascending details the true social function of individuals dabbling with the occult In his survey of what Ellis terms vernacular occultism the author is poised on a middle ground between a skeptical point of view that defines belief in witchcraft and Satan as irrational and an interpretation of witchcraft as an underground religion opposing Christianity Lucifer Ascending examines the occult not as an alternative to religion but rather as a means for ordinary people to participate directly in the mythic realm    *Lucifer* D.
