## Lucky Fish:

**Lucky Fish** Aimee Nezhukumatathil,2014-01-28 Lucky Fish travels along a lush current a confluence of leaping vocabulary and startling formal variety with upwelling gratitude at its source for love motherhood new hope and the fluid and rich possibilities of words themselves With an exuberant appetite for my morning song my scurry step my dew anchored in complicated human situations this astounding young poet s third collection of poems is her strongest yet Nezhukumatathil s third book is fascinated with the small mechanisms of being whether natural personal or imagined Everything from eating eels in the Ozark mountains to the history of red dye finds a rich life in her poems At times her lush settings and small stories are reminiscent of fairy tales while at others Nezhukumatathil speaks with resonance and fierceness Even as the poems jump from the Philippines to India to New York they still take their time stopping to notice that there is no mystery on water greater than the absence of rust and to draw small but wonderful parallels Publishers Weekly

### **365 Days / 365 Plays**

Suzan-Lori Parks,2006-11-01 Suzan Lori Parks is one of the most important dramatists America has produced Tony Kushner The plan was that no matter what I did how busy I was what other commitments I had I would write a play a day every single day for a year It would be about being present and being committed to the artistic process every single day regardless of the weather It became a daily meditation a daily prayer celebrating the rich and strange process of a writing life Suzan Lori Parks On November 13 2002 the incomparable Suzan Lori Parks got an idea to write a play every day for a year She began that very day finishing one year later The result is an extraordinary testament to artistic commitment This collection of 365 impeccably crafted pieces each with its own distinctive characters and dramatic power is a complete work by an artist responding to her world each and every day Parks is one of the American theater s most wily and innovative writers and her stark but poetic language and fiercely idiosyncratic images transform her work into something haunting and marvelous TIME
