*Nietzsche's Metaphysics of the Will to Power* Tsarina Doyle,2018-02-15 Nietzsche's controversial will to power thesis is convincingly rehabilitated in this compelling book Tsarina Doyle presents a fresh interpretation of his account of nature and value which sees him defy the dominant conception of nature in the Enlightenment and overturn Hume's distinction between facts and values Doyle argues that Nietzsche challenges Hume indirectly through critical engagement with Kant's idealism and that in so doing and despite some wrong turns he establishes the possibility of objective value in response to nihilism and the causal efficacy of consciousness as a necessary condition of human autonomy Her book will be important for scholars of Nietzsche's metaphysics and of the history of philosophy and science more generally

**Designing Exceptional Organizational Cultures** Jamie Jacobs,Hema Crockett,2021-02-03 WINNER Nonfiction Authors Association Book Awards Gold Award 2021 Designing Exceptional Organizational Cultures is a practical guide for HR and OD

professionals which explains how to proactively design build and foster a culture that creates employee and business success For a company to outperform the competition and achieve sustainable business growth it needs a high performing engaged and committed workforce with the skills the business needs both now and in the future Attracting motivating and retaining top talent can't be done simply by attaching individual benefits to specific job roles To be effective companies need to build an exceptional company culture where people want to work and that allows them to develop and perform to their full potential Designing Exceptional Organizational Cultures provides guidance on all elements of building a top performing culture including how to identify and define core company values and embed them throughout policies processes and behaviours as well as how to create an organizational structure that leverages employees strengths for optimum performance It also covers how to assess what roles the business needs how to recruit for future success and make the most of non traditional hires as well as covering employee engagement motivation reward diversity and Learning and Development L D With practical examples tips and advice throughout this is crucial reading for anyone needing to build a culture that attracts the very best talent and achieve sustainable business growth

**Authentic Excellence for Organizations** R. Kelly Crace,Charles J. Hardy,Robert L. Crace,2023-06-26 Authentic Excellence for Organizations explores organizational culture

from a values based perspective and applies the psychological principles of values based flourishing to organizations Integrating the principles of Giving Voice to Values GVV and Authentic Excellence AX this book provides a process that details how organizations can harness their team's inherent wisdom to flourish through the relentless pace and pressure of today's world Moving beyond team building strategies and programming this book helps develop confidence in managing the tensions inherent in organizations It explores The difference between moral values and personal values How both can be effectively expressed and managed in organizations The possibilities of shifting from a fear based culture of Or to an inclusive and values centred culture of and How to practically create flourishing cultures using the GVV model How to create an organizational culture that effectively sustains a like competitive collaborative productive fulfilled and innovation tradition This book is intended for organizational leaders members and HR managers looking to develop strong and thriving teams It also aligns with required or recommended reading for secondary or undergraduate courses that explore values leadership organizational development and performance decision making ethics and entrepreneurship One Nation, Two Realities Morgan Marietta,David C. Barker,2019-03-18 Americans no longer agree on basic questions of fact Is climate change real Does racism still determine who gets ahead Is sexual orientation innate Do immigration and free trade help or hurt the economy Does gun control reduce violence Employing several years of original survey data and experiments Marietta and Barker reach a number of enlightening and provocative conclusions dueling fact perceptions are not so much a product of hyper partisanship or media propaganda as they are of simple value differences and deepening distrust of authorities

**Live Your Sunshine** Lesley MacCulloch,2017-07-11 We are brought up in a world where living in fear is both encouraged and accepted Its normal to feel doubt to feel guilt to feel anger to feel a failure Its normal to lack enjoyment self confidence and fulfilment Its normal to live our lives according to what other people want of us or what we think other people want of us and to feel that in a world where we constantly criticise and compare were simply not good enough But good enough for what And in whose view Its time to turn that thinking around You are good enough You were born with confidence and a healthy self esteem You were born to smile more You were born to feel ease to feel well and to listen to your heart and your intuition And you can reconnect with that you You can live true to yourself and you can feel contentment joy and harmony You can find peace acceptance and inner strength You are perfect human worthy You are special You are you and the world needs you Free the spirit that's still burning deep inside you and shine You are and you can **Eros and**

**Ethos** Jason Stotts,2018-02-09 Sexual ethics has historically been a bleak landscape of three false alternatives resist abstain or indiscriminately indulge In Eros and Ethos philosopher Jason Stotts presents a radical new alternative in which sex is an ethically important part of a rich human life He shows how sex is a significant expression of our character because sex arises out of the deepest and most fundamental parts of who we are On his account virtue lies in proudly bringing desire in line with our flourishing so that we can create rich and meaningful lives **For Goodness Sex** Al Vernacchio,2014-09-16 A

progressive effective and responsible approach to sex education for parents and teens that challenges traditional teaching models and instead embraces 21st century realities by promoting healthy sexuality values and body image in young people Sex education today generally falls into one of two categories abstinence only or abstinence based education both of which tend to withhold important factual information and leave young adults ill equipped to make safe decisions Al Vernacchio a high school sexuality educator who holds a Master s degree in Human Sexuality from the University of Pennsylvania has created a new category sex positive education In For Goodness Sex he refutes the disaster prevention model of sex ed offering a progressive and realistic approach Sexuality is a natural part of life and healthy sexuality can only develop from a sex positive affirming appreciation Curious yet fearful of being judged young people turn to peers the Internet and the media where they receive problematic messages about sex boys are studs girls are sluts real sex should be like porn hookups are better than relationships Without a broader understanding to offset these damaging perceptions teenagers are dangerously unprepared intellectually and emotionally to grow and develop as sexual beings For Goodness Sex offers the tools and insights adults need to talk young people and help them develop healthy values and safe habits With real life examples from the classroom exercises and quizzes and a wealth of sample discussions and crucial information Vernacchio offers a guide to sex education for the twenty first century
