*Out of It* Anonymous, 2005-05 *Out of It* An Autobiography on the Experience of Schizophrenia guides us through one man's mental journey through seven months of schizophrenia While being interviewed by the emergency room psychiatrist the white haired man in the cowboy hat that I had seen earlier looked inside He was handsome and even though the man looked older I knew that it was my step father but it actually wasn't After the brief interview with the doctor I was allowed to leave with my family for several days I stayed with my family explaining and joking about how I knew that the joke was on them and that I was onto everything they had been doing Then I took on a more depressing state as I realized more and more that I might not ever get out of this Since I was in some sort of coma it was clear that they didn't know how to get me out Of course Amelia was waiting to be in my arms but she couldn't do it while I was in this dream state world then I wouldn't want to leave it She was only trying to show me that she was standing by my bedside crying and holding my hand and overjoyed that I
