Outback Heat:

Seduced by the Baron Amy Andrews, 2015-06-21 Once upon a time Faith Sullivan dreamed of being a famous painter who lived in an apartment overlooking Central Park. Unfortunately life had other ideas and at 26 she's still running, working and living at Sully's her family's traditional Irish pub in Brooklyn with her stubborn ailing father. And she was perfectly fine with her lot until suddenly her three best friends each found their prince and her own happily ever after seemed like another dream lost. Until one day a long tall Australian walks into her bar and her loved up besties decided to play Fairy Godmothers. Ex pro surfer turned beer baron Rafael Quartermaine is in New York for a month on business. He's looking for a pub to launch Baron lager on the American market and Sully's is perfect. All he has to do is convince Faith the traditionalist to say yes. And once he's done that maybe he can convince her that all work and no play makes Faith a dull girl. Faith's connection to her family and Sully's is absolute and Raf's business drive and itchy feet aren't conducive to long term so it should be an easy break when duty calls Faith back into the fold on the evening of the ball. But running out on the baron is harder than she ever imagined. Will their fling sizzle out or become something more?

Hot Mess Amy Andrews, 2017-05-22 I never thought I'd get a second chance at a first time with you. Firefighter Logan Knight thinks it's fate when he meets Arabella Tucker again nine years after their brief intense relationship ended. Until he realizes that Bella doesn't recognize him and all of their memories together are completely erased from her memory. Bella may be oblivious to their history but she can't deny their scorching chemistry and the possibility of a future with the mystery man from her past. Logan wants a future too but he can't go there until Bella knows everything they shared. Her parents though want to protect her from the emotional cost of old memories and so Logan is reluctantly persuaded to let the past lie. But when Bella starts to uncover the truth she is shocked by the revelations. Can she move beyond the hurt of her shared history with Logan and begin their new story?

A Doctor for the Cowboy Amy Andrews, 2017-08-08 Cocky young Aussie bull rider Troy Jensen has been busted down to the pro circuit. He needs wins and points to get him back into the big league and a shot at being crowned champ but an injury forces him off the circuit and into the arms of the woman fate keeps putting in his path. The first time local Doc Joss Garrity meets Troy she's brandishing a lug wrench. The second time he's dragging her delinquent teen son home. The third time he's in her ER. How he ends up convalescing at her house she's not quite sure. But it does make it hard to ignore him and their simmering attraction. As Troy gets to know Joss he starts to see a life after bull riding for the first time. But can Joss risk her heart on another man who may not come home one day?
