 Everybody has it but just how good are you at using it Talented people don't believe in reaching their peak they live a life
 that crests on any number of new and different waves Some of these peaks may be higher than others some offer totally
 different challenges and rewards but whatever stage of life they're at they see no reason why they can't fulfil their potential
 to reach a new high The Psychology of Success shows how you too can live a life of many peaks By speaking to a wide range
 of people who have experienced both success and failure Judith Leary-Joyce has uncovered the secrets of serial achievement
 Some of these people have already achieved many different career and life peaks some are still getting there and others have
 resigned themselves to never making it By drawing on these studies and her extensive experience as a psychologist and
 business coach Judith sets out a clear path for you to follow in your quest to live the most satisfying and rewarding life you
 can This book will help you Identify the emotional drivers that help you move forward and those that hold you back Explore
 the attitudes of real life people who are successful and what can be learned from their experience Address your assumptions
 about life and work and discover how to peak in different ways at different times **First Steps in Teaching Number** John
