, 2021-08-27 Starting right now today you and I can build the momentum towards more equality and unity in America while uplifting our own lives too. This is the win win cliché of all time together we don't fall down we all lift up. If we haven't learned

much else from social media we've learned that shared thoughts for good or bad that are truth or fake truths become powerful beyond measure when they reach lots of people at the same time and are repeated over and over again. This isn't a book ABOUT habits; it is a HABIT FORMING book. When you take it home and begin your one minute a day habit building adventure your life and your outlook will brighten. I hope you use your social media power to share the colorful monthly messages with others. Together we can overcome the pain of a divided America with the power of goodness because it is in these aspects of our citizenship that we are all equal.
