

## Galatians 2:21

I do not make void the grace of Elohim: for if righteousness is through the law (**Oral Law**), then Messiah died in vain.

## **Oral Righteousness:**

Eerdmans Commentary on the Bible James D. G. Dunn, 2003-11-19 No one familiar with the Bible needs to be told that it is a truly remarkable work. But it takes help to understand this ancient collection of diverse forms of literature written by different people across many centuries. The Eerdmans Commentary on the Bible ECB is the finest single volume Bible handbook available. Written by world class Bible scholars the ECB encapsulates in nontechnical language the best of modern scholarship on the sixty six biblical books plus the Apocrypha. The only one volume Bible commentary to cover all the texts even including 1 Enoch regarded by one or more Christian churches as canonical the ECB provides reader friendly treatments and succinct summaries of each section of the text that will be valuable to scholars students and general readers alike. The primary objective of this work is to clarify the meaning of each section of the Bible. Rather than attempting a verse by verse analysis virtually impossible in a one volume work the ECB focuses on principal units of meaning narrative parable prophetic oracle section of argument and so on highlighting their interconnectedness with the rest of the biblical text. The volume also addresses and answers major issues including the range of possible interpretations and refers readers to the best fuller discussions. Beyond providing reliable informative commentary this hefty volume also includes thirteen introductory and context setting articles that do justice to the biblical documents both as historical sources and as scriptures. The sixty seven contributors to the ECB come from a wide variety of backgrounds and are acknowledged leaders in the field of biblical studies. Their contributions stand out either for their fresh interpretations of the evidence or for their way of asking new questions of the text or for their new angles of approach. While the translation of choice is the New Revised Standard Version many of the contributors offer their own vivid translations of the original Hebrew or Greek. Cutting edge comprehensive and ecumenical the ECB is both a fitting climax to the rich body of interconfessional work undertaken in the latter part of the twentieth century and a worthy launching pad for biblical study in the twenty first. Special Features of the ECB The only one volume commentary to cover all the texts including the Apocrypha and 1 Enoch regarded by one or more Christian churches as canonical. Thirteen major essays that introduce each section of Scripture and its study. Encapsulates in nontechnical language the best of modern scholarship. Includes superb bibliographies and an extensive subject index. Written by sixty seven first rate Bible scholars. Designed for use by scholars students pastors and general readers.

, 1913    **Romans: Jimmy Swaggart Bible Commentary** Jimmy Swaggart, 1996 ROMANS BIBLE COMMENTARY After nearly 40 years of full time ministry Brother Swaggart published his first commentary on the book of Genesis that was later described as the most helpful Bible commentary ever published. It would take nearly 20 years to complete the entire commentary series from Genesis to Revelation. True to Pentecostal theology the Jimmy Swaggart Commentary collection leads its readers chapter by chapter to a better understanding of the Bible. Rather than providing notes on every Bible verse these commentaries focus on the salient verses of each chapter to offer the reader a condensed synopsis of what the Holy

Spirit intended Where most relevant cultural and historical references are also included along with explanations of the allegories types and symbolisms used in the Bible to add depth and dimension for students of the Holy Scriptures Yet what seems to separate this work from all other commentaries are the biblical applications made to present day circumstances facing every believer Printed on high quality paper and bound with a beautiful hardback cover this unique reference will be cherished by anyone who loves to study the Word of God
