Ordinary Women With Extraordinary Spirit A:

Ordinary Women, Extraordinary Lives Kriste Lindenmeyer, 2000-06 This collection of seventeen minibiographies sheds light on the often neglected herstory of U S history from the revolutionary era through the late twentieth century In addition this volume suggests the complexity of studying the past when gender race class region age and ethnicity are included in the analysis This book is unique in that it focuses on the lives of ordinary women The names of the vast majority of those whose stories are included here will likely be unfamiliar even to serious students of American women s history The varied experiences of such women help to create a more complete picture of the past by revealing the influence general historical trends have had on the lives of ordinary individuals But ordinary does not mean lesser nor does it denote class race ethnicity or age The individual women s stories that are told in the following pages show that even people who are not featured in mainstream history texts led lives that deserve the attention of those interested in understanding the past The authors of these chapters have found support for generalizations commonly held by American women s historians Nonetheless their research has also led to unexpected findings that ask students of women s history to examine assumptions about the past more closely

The Healing Gayl Jones, 2019-12-03 A new edition of a National Book Award finalist follows a black faith healer whose shrewd observations about human nature are told with the rich lyricism of the oral storytelling tradition From the acclaimed author of *Corregidora* *The Healing* follows Harlan Jane Eagleton as she travels to small towns converting skeptics restoring minds and healing bodies But before she found her calling Harlan had been a minor rock star s manager and before that a beautician Harlan retraces her story to the beginning when she once had a fling with the rock star s ex husband and found herself infatuated with an Afro German horse dealer Along the way she somehow lost her own husband a medical anthropologist now traveling with a medicine woman across eastern Africa Harlan draws us deeper into her world and the mystery at the heart of her tale the story of her first healing *The Healing* is a lyrical and at times humorous exploration of the struggle to let go of pain anger and even love Slipping seamlessly back through Harlan s memories in a language rich with the textured cadences of unfiltered dialogue Gayl Jones weaves her story to its dramatic and unexpected beginning

Adventures In Manifesting Sarah Prout, Sean Patrick Simpson, 2011 *Ordinary Women Extraordinary Wisdom* Rita Marie Robinson, 2007 *Ordinary Women Extraordinary Wisdom* is a collection of intimate heartfelt conversations with women spiritual teachers who live and look like ordinary people They have kids husbands jobs and bills to pay What makes them extraordinary is that each woman has awakened to her true nature And while that sounds like enlightenment it doesn t look like the old stereotype of transcendence detachment and bliss Quite the contrary This is the feminine half of the spiritual journey bringing it down to earth and embracing all of what it means to be human

Ordinary Women Extraordinary God, 2004 This collection of snapshots from the lives of women of the Bible is not a reference work but a series of Bible studies filled with personal insights and challenging applications Each author highlights one or two women

reminding us of the rewards of faith and the consequences of sin From Mary Magdalene to Hannah Dorcas and Ruth you will see yourself in women whose destinies were transformed when their simple faith met the power of God You will also see yourself in their flaws and gain new hope to move beyond failure to a life of victory Reflection questions at the end of each chapter invite you to draw your own conclusions and apply biblical truth to your life Ordinary Women Extraordinary God will leave you longing for more of our extraordinary God Essence of Reality Thomas Nehrer,2011-03-16 The Essence of Reality is the most perceptive exacting look at the flow of Reality ever Rarely has a human glimpsed beyond the confines of the self aware mind to see the interactive flow of mind value into Reality Thomas Nehrer here goes beyond a glimpse to specify that flow depicting Consciousness explicitly The Essence of Reality illustrates that all of one s life health success authority abundance reflect one s inner nature leading the reader to see exactly how that works It gives explicit tools for delving into limiting mindsets to accomplish real change Experimental, doctrinal, and practical John Bunyan,1858
