*The History of Fort Vancouver and Its Physical Structure* John A. Hussey, 1957      *The Plains Across* John D. Unruh, 1993  
One of three finalists for the Pulitzer Prize in History and the winner of seven awards including the John H Dunning Prize of the American Historical Association the Ray A Billington Book Award of the Organization of American Historians and the National Historical Society Book Prize      **Empire of the Columbia** Dorothy O. Johansen, Charles Marvin Gates, 1967 Traces the social and economic growth of the Pacific Northwest from the time of the aboriginal cultures      *Pioneer Photographers of the Far West* Peter E. Palmquist, Thomas R. Kailbourn, 2000 This extraordinarily comprehensive well documented biographical dictionary of some 1 500 photographers and workers engaged in photographically related pursuits active in western North America before 1865 is enriched by some 250 illustrations Far from being simply a reference tool the book provides a rich trove of fascinating narratives that cover both the professional and personal lives of a colorful cast of characters      **The Lincoln Miracle** Ed Achorn, 2023-02-14 The vivid behind the scenes story of perhaps the most consequential political moment in American history Abraham Lincoln s history changing nomination to lead the Republican Party in the 1860 presidential election Illinois lawyer Abraham Lincoln had a record of political failure In 1858 he had lost a celebrated Senate bid against incumbent Stephen Douglas his second failed Senate run and had not held public office since one term in Congress a decade earlier As the Republican National Convention opened in mid May 1860 in Chicago powerful New York Senator William Seward was the overwhelming favorite for the presidential nomination with notables like Salmon Chase and Edward Bates in the running Few thought Lincoln stood a chance though stubborn Illinois circuit Judge David Davis had come to fight for his friend anyway Such was the political landscape as Edward Achorn s *The Lincoln Miracle* opens on Saturday May 12 1860 Chronicling the tense political drama as it unfolded over the next six days Achorn explores the genius of Lincoln s quiet strategy the vicious partisanship tearing apart America the fierce battles raging over racism and slavery and booming Chicago as a symbol of the modernization transforming the nation Closely following the shrewd insiders on hand from Seward power broker Thurlow Weed to editor Horace Greeley bent on stopping his former friend Seward Achorn brings alive arguably the most consequential political story in America s history From smoky hotel rooms to night marches by the Wide Awakes the new Republican youth organization to fiery speeches on the floor of the giant convention center called The Wigwam Achorn portrays a political climate even more contentious than our own today out of which the seemingly impossible long shot prevailed to the nation s everlasting benefit As atmospheric and original as Achorn s previous *Every Drop of Blood* *The Lincoln Miracle* is essential reading for any Lincoln aficionado as it is for anyone who cares about our nation s history      **Indians and Emigrants** Michael L. Tate, 2014-08-04 In the first book to focus on relations between Indians and emigrants on the overland trails Michael L Tate shows that such encounters were far more often characterized by cooperation than by conflict Having combed hundreds of unpublished sources and Indian oral traditions Tate finds Indians

and Anglo Americans continuously trading goods and news with each other and Indians providing various forms of assistance to overlanders Tate admits that both sides normally followed their own best interests and ethical standards which sometimes created distrust But many acts of kindness by emigrants and by Indians can be attributed to simple human compassion Not until the mid 1850s did Plains tribes begin to see their independence and cultural traditions threatened by the flood of white travelers As buffalo herds dwindled and more Indians died from diseases brought by emigrants violent clashes between wagon trains and Indians became more frequent and the first Anglo Indian wars erupted on the plains Yet even in the 1860s Tate finds friendly encounters were still the rule Despite thousands of mutually beneficial exchanges between whites and Indians between 1840 and 1870 the image of Plains Indians as the overland pioneers worst enemies prevailed in American popular culture In explaining the persistence of that stereotype Tate seeks to dispel one of the West's oldest cultural misunderstandings

**The Register of the Kentucky Historical Society** Kentucky Historical Society,1948 **Murdering Holiness** Jim Phillips,Rosemary Gartner,2011-11-01 Murdering Holiness explores the story of the Holy Roller sect led by Franz Creffield in the early years of the twentieth century In the opening chapters the authors introduce us to the community of Corvallis Oregon where Creffield a charismatic self styled messiah taught his followers to forsake their families and worldly possessions and to seek salvation through him As his teachings became more extreme the local community reacted Creffield was tarred and feathered and his followers were incarcerated in the state asylum Creffield himself was later

imprisoned for adultery but shortly after his release he revived the sect This proved too much for some of the adherents families and in May 1906 George Mitchell the brother of two women in the sect pursued Creffield to Seattle and shot him dead The authors take us into the courtroom for the trial that made headlines across North America as Mitchell was acquitted of murder Though the formal plea was insanity the defence built its case on the unwritten law that justified killing to protect or avenge family honour Based on court records and archival sources this case study includes a detailed examination of the trial the media s response to it and the dramatic aftermath and sheds light on the rise of ardent religion in the Pacific Northwest the justice system in Seattle and the role of the press in influencing public opinion
