Optimum Brain Power A Total Program For Increasing Your Intelligence:

Optimum Brain Power Miriam Ehrenberg, Otto Ehrenberg, 1985 Discusses the nature of intelligence explains how to develop one's mental capabilities and looks at memory perception emotions and reasoning skills **Optimum Brain Power** Miriam Ehrenberg, Otto Ehrenberg, 1987-03 **Optimal Thinking** Rosalene Glickman, 2002-12-11 The quantum leap beyond positive thinking Optimal Thinking offers a whole new way of looking at life business and relationships This prescriptive self improvement book is filled with superlative information for every type of reader Strategies for Better Thinking Gerry H. Waller, Kathy Nielsen, 1999-04-30 Waller and Nielsen focus on teaching the techniques for better thinking that the authors have used themselves for creativity strategic planning idea generation process improvements and thinking enhancement Through the usage of a four stage model readers learn to understand identify and apply thinking strategies their own as well as others enabling them to quickly recall and use them successfully Each one of us has the ability to think clearly and powerfully as we all use particular strategies for thinking in various personal and professional situations One of the most interesting yet overlooked aspects of thinking is that each of us does it differently Unfortunately most of us have never been taught to think let alone how to identify and use our natural thinking strategies This informative and innovative work provides readers with an awareness for the uniqueness of each person's thinking strategies and presents skills and techniques for recognizing and applying the characteristics of those strategies The authors use a format that is easy to read and apply providing a way to maximize thinking strategies and achieve greater performance in virtually any context The result is a book not only for organizational behavior specialists human resource professionals and others who help people develop their skills and talents but also a book that can be read and immediately put to use by employees themselves *The Cumulative Book Index*, 1985 A world list of books in the English language Journal of Reading, 1988 **The Publishers' Trade List Annual**, 1985 A Sensory Approach to Improving Muscle Control: an Engineer's View on Optimal Fitness Martin L. Vanderhook, 2009-07-01 Now the reason for the rather extended title of this book is because the routine described herein conveys not only a common sense approach to staying physically fit For each exercise can also be used through employing the related mental technique as a means to improve on the incisiveness of our initiating *Systems Analysis and Design* Robert E. Leslie, 1986 Forthcoming Books Rose Arny, 1997 **The publishers weekly**, 1987 **Developing Informed Intuition for Decision-Making** Jay Liebowitz, 2019-07-19 This book examines how to develop the main traits that are necessary to become an informed intuitant Case studies and examples of successful informed intuitants are a major component of the book Intuitant is someone who has the intuitive awareness to be successful Informed intuitant indicates that the individual decision maker not only applies his/her intuition but also verifies it through using data driven approaches such as data analytics Some of this work resulted from research examining how well do executives trust their intuition
