Oral History For The Local Historical Society

California (State).

Oral History For The Local Historical Society:

Oral History for the Local Historical Society Willa K. Baum,1995 A practical step by step guide for gathering history from the people who have experienced it Oral History for the Local Historical Society a classic in the field for three decades tells you how to start an oral history program in your community how to select the right equipment and how to interview people whose memories are a living connection to the past Baum goes on to demonstrate what you do when the interviews are collected instructing you how to transcribe and index them store them and make them available to the public for research Oral History for the Local Historical Society is an invaluable tool for anyone who has ever wanted to capture the story of the past in his or her local community Oral History for the Local Historical Society Willa K. Baum,Conference of California Historical Societies,1969 **Oral History for the Local Historical Society** Willa K. Baum,1977 **Catching Stories**

Donna M. DeBlasio,Charles F. Ganzert,David H. Mould,Stephen H. Paschen,Howard L. Sacks,2009-05-04 In neighborhoods schools community centers and workplaces people are using oral history to capture and collect the kinds of stories that the history books and the media tend to overlook stories of personal struggle and hope of war and peace of family and friends of beliefs traditions and values the stories of our lives Catching Stories A Practical Guide to Oral History is a clear and comprehensive introduction for those with little or no experience in planning or undertaking oral history projects Opening with the key question Why do oral history the guide outlines the stages of a project from idea to final product planning and research the interviewing process basic technical principles and audio and video recording techniques The guide covers interview transcribing ethical and legal issues archiving funding sources and sharing oral history with audiences Intended for teachers students librarians local historians and volunteers as well as individuals Catching Stories is the place to start for anyone who wants to document the memories and collect the stories of community or family *The Oral History Manual* Barbara W. Sommer,Mary Kay Quinlan,2009-05-16 The Oral History Manual grounds oral historians in the practice of oral history taking the reader through the entire process from the idea for a project through the completed archived interviews

Practicing Oral History in Historical Organizations Barbara W Sommer,2016-06-16 In this brief practical guide internationally known oral historian Barbara W Sommer applies the best practices of contemporary oral historians to the projects that historical organizations of all sizes and sorts might develop *Research Anthology on Service Learning and Community Engagement Teaching Practices* Management Association, Information Resources,2021-12-30 The need for more empathetic and community focused students must begin with educators as service learning has begun to grow in popularity throughout the years By implementing service and community aspects into the classroom at an early age educators have a greater chance of influencing students and creating a new generation of service minded individuals who care about their communities Teachers must have the necessary skills and current information available to them to provide students with quality service learning and community engagement curricula The Research Anthology on Service Learning and Community

Engagement Teaching Practices provides a thorough investigation of the current trends best practices and challenges of teaching practices for service learning and community engagement Using innovative research it outlines the struggles frameworks and recommendations necessary for educators to engage students and provide them with a comprehensive education in service learning Covering topics such as lesson planning teacher education and cultural humility it is a crucial reference for educators administrators universities lesson planners researchers academicians and students

Oral History for the Local History Society Willa K. Baum,1971

The Middle-Class City John Henry Hepp, IV,2018-06-29

The classic historical interpretation of the late nineteenth and early twentieth centuries in America sees this period as a political search for order by the middle class culminating in Progressive Era reforms In The Middle Class City John Hepp examines transformations in everyday middle class life in Philadelphia between 1876 and 1926 to discover the cultural roots of this search for order By looking at complex relationships among members of that city s middle class and three largely bourgeois commercial institutions newspapers department stores and railroads Hepp finds that the men and women of the middle class consistently reordered their world along rational lines According to Hepp this period was rife with evidence of creative reorganization that served to mold middle class life The department store was more than just an expanded dry goods emporium it was a middle class haven of order in the heart of a frenetic city an entirely new way of organizing merchandise for sale Redesigned newspapers brought well ordered news and entertainment to middle class homes and also carried retail advertisements to entice consumers downtown via train and streetcar The complex interiors of urban railroad stations reflected a rationalization of space and rail schedules embodied the modernized specialization of standard time In his fascinating investigation of similar patterns of behavior among commercial institutions Hepp exposes an important intersection between the histories of the city and the middle class In his careful reconstruction of this now vanished culture Hepp examines a wide variety of sources including diaries and memoirs left by middle class women and men of the region Following Philadelphians as they rode trains and trolleys read newspapers and shopped at department stores he uses their accounts as individualized guidebooks to middle class life in the metropolis And through a creative use of photographs floor plans maps and material culture The Middle Class City helps to reconstruct the physical settings of these enterprises and recreate everyday middle class life shedding new light on an underanalyzed historical group and the cultural history of twentieth century America

Growing Up in Washington, D.C. Jill Connors,2001

The Historical Society of Washington D C an educational and cultural institution serving the residents of metropolitan Washington presents

Growing Up in Washington D C An Oral History a book of memories excerpted from dozens of oral history interviews about childhood in Washington during the twentieth century Telling stories of the past from playing soccer on the National Mall to

visiting the Zoo from marching in inaugural parades to riding the roller coasters at Suburban Gardens residents from all four quadrants of the city from different racial and religious backgrounds have documented the vital history of our nation's capital in their hearts and minds In this collection they share their personal experiences of attending school celebrating holidays playing games with friends riding the streetcars and metro and growing up in families and neighborhoods that early on shaped the course of their lives Their fascinating tales and anecdotes provide a window into the city's development as seen through the innocent yet discerning eyes of its children Illustrated with historic images of city life such as eating at the Hot Shoppes and ice skating on the mall and of recognizable local landmarks such as Hains Point the fun house at Glen Echo and Rock Creek Park Growing Up in Washington D C brings to life the people and places that have helped to create the city's singular character A one of a kind testament to the variety of life in the great capital of the United States this collection of personal childhood stories and vintage photographs offers a wealth of perspectives on growing up in Washington during the twentieth century
