The Russian Revolution and Civil War 1917-1921 Jonathan Smele, 2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history. It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves. However, until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature. *The Russian Revolution and Civil War 1917-1921* offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history. The Bibliography focuses on the key years of 1917 to 1921, starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921, and covers all the key events of the intervening years. As such, it identifies these crucial years as something more than simply the creation of a communist state.

The Whole Story John E. Simkin, 1996 This work is the only comprehensive guide to sequels in English with over 84 000 works by 12 500 authors in 17 000 sequences. **Classified List of Additions** Shreemati Nathibai Damodar Thackersey Women's University. Library, 1961 **Soviet Russian Literature, 1917-1977**, 1980 *Index Translationum Indicarum*, 1963 *Soviet Literature*, 1983 *Cumulated Fiction Index 1945-1960 (Fiction Index Three)*, 1960 *Historical Dictionary of the Russian Civil Wars, 1916-1926* Jonathan D. Smele, 2015-11-19 This book is a detailed reference of the twentieth century struggles that were waged across and beyond the decaying Russian Empire at the end of the First World War as tsarism and democratic alternatives to it collapsed and the world's first Communist state, the Union of Soviet Socialist Republics, was born. At the same time, it is a necessary corrective to studies that have viewed events of the time as a unitary Russian Civil War that sprang from the Russian Revolution of 1917. Instead, it contributes to the ongoing process of integrating the civil wars into a continuum of crises that wracked the Russian Empire and its would-be successor states across a prolonged period. *The Historical Dictionary of the Russian Civil Wars 1916-1926* covers the history of this period through a chronology, an introductory essay, appendixes, and an extensive bibliography. The dictionary section has almost 2 000 cross-referenced entries on individuals, political and governmental institutions, and political parties and military formations and concepts, as well as religion, art, film, propaganda, uniforms, and weaponry. This book is an excellent access point for students, researchers, and anyone wanting to know more about the Russian Civil War. **Twentieth-century Literary Criticism** Gale Research Company, 1985 Excerpts from criticism of the works of novelists, poets, playwrights, and other creative writers, 1900-1960. **Soviet Life**, 1965 **V.O.K.S.**, 1955 **Author and Title Catalog** J. Henry Meyer Memorial Library, 1967 **Bleak Morning** Alexei Tolstoy, 2000-12 The central place in Alexei Tolstoy's work is held by his books about the events of the Great October Revolution and the Civil War. His *Ordeal* 1919-1941 is a book about the Russian

people as they forge their way to a new life about the Russian intelligentsia which as a result of a long ordeal found its place in society Tolstoy himself wrote of the plan behind his trilogy It s time to begin studying the Revolution it s time for the artist to become a historian and a thinker I not only acknowledge the Revolution with such acknowledgement alone it would not be possible even to write a novel I love its dark majesty its world wide scope And that is the task of my novel to create this majesty this scope in all its complexity About the AuthorAlexei Tolstoy Tolstoi 1883 1945 was a classic writer and one of the founders of Soviet literature Famous for his epic trilogy Ordeal the historical novel Peter the First the science fiction novels Aelita and The Garin Death Ray and also many short stories dramas and publishing articles *Subject Catalog* Library of Congress,1979 *Fiction Index* ,1960 **Anthology of Soviet Short Stories** ,1976
