Major Prophets:

The Major Prophets James E. Smith, 1992 The Major Prophets is the fourth volume of a solid concise study through the Old Testament. This volume covers Isaiah, Jeremiah, Lamentations, Ezekiel, and Daniel. This hardcover study has quickly become a valuable aid for students and teachers alike. James E. Smith has written a concise, clear, informative, easy to read series that should be in every Christian's library. It is both scholarly and practical. At College Press, our motto is Every Christian a Bible Student. This is the kind of helpful, challenging resource that represents the very essence of that motto. In addition to first rate commentary, Smith has included charts, maps, mnemonic devices, and outlines to help the Old Testament come alive. About the author: James E. Smith received his undergraduate and seminary training at Cincinnati Bible Seminary. He was awarded the PhD degree by Hebrew Union College Jewish Institute of Religion. Dr. Smith has served congregations in Ohio and Kentucky. For thirteen years he was Professor of Old Testament at Cincinnati Bible Seminary. He currently serves Florida Christian College as Chairman of the Division of Biblical Studies.

The Bible Knowledge Commentary Major Prophets John F. Walvoord, Roy B. Zuck, 2018-03-01 Hard Truths and Amazing Grace. Isaiah, Jeremiah, Ezekiel, and Daniel spoke words of warning, comfort, and punishment to the people of Israel in Judah and during the Babylonian Captivity. Though they faced incredible loss and persecution as they grieved the choices the Israelites made, these major prophets of the Old Testament fulfilled their role as God's voice to a rebellious people. In this highly respected commentary, Dallas Theological Seminary scholars explore the historical and cultural background of the prophets, the literary devices they used, and what these books teach us about God's call to us to follow Him today.

Six Major Prophets Edwin Emery Slossen, 1917 **The Major Prophets** Big Dream Ministries, 2005 The Bible is simply a love letter compiled into sixty six books and written over a period of sixteen hundred years by more than forty authors living on three continents Although the authors came from different backgrounds there is one message one theme one thread that runs throughout the entire Bible from the first book Genesis to the last book Revelation That message is God's redeeming love for mankind a message that is as relevant for us today as it was two thousand years ago The five books of The Major Prophets Isaiah Jeremiah Lamentations Ezekiel and Daniel cover a significant time span and present a wide array of messages Isaiah spoke to the nation of Judah about 150 years before their exile into Babylonia and called them to be faithful to God Jeremiah cried out to those same people on the brink of that exile and pleaded for their repentance Lamentations written by Jeremiah presents a dirge as Judah went into exile The last two major prophets Ezekiel and Daniel spoke and wrote to the people in exile encouraging them to remember that God was still in control and would eventually restore the spiritual fortunes of His disciplined nation Three of these five books are quite long and all of them can at times be difficult to understand However the time and effort invested in striving to understand these writings will pay huge dividends It has been said that no other section of the Bible offers such a majestic and highly exalted picture of God His sovereignty is mindboggling His glory is breathtaking And in reading these books our faith finds new depths of confidence Get ready now to meet once again the God of the prophecies and to be amazed at the prophecies of God as they unfold in these first five prophetic books

Major Prophets of To-day Edwin Emery Slosson,1916 **Their Master's Voice** Chris Woodall,2020-11-03 Of the five books that make up the Major Prophets in the Old Testament three are amongst the largest of the Bible Isaiah Jeremiah and Ezekiel As if to underscore their Major status each one is significantly longer than the Minor Prophets combined Although the specific details of each prophet s contribution differ a more general overarching theme may be discerned in them all to remind their respective target audiences of their covenantal obligations The prevailing human condition throughout the ages ensures that while circumstances cultural development and technological advancements do change with time the underlying sinful disposition of mankind remains constant in every epoch Mercifully God s messages to both victim and perpetrator alike are similarly unchanging In the stream of progressive revelation it would be irresponsible simply to dip into the waters of the Old Testament and translate its lessons to our day without due process That process might include asking certain questions of the texts under consideration Are the lessons provided by these Old Testament saints applicable to us as Christians in the twenty first century Do their words still speak today Only if Christian believers are still prone to such folly as chasing disposable pleasures instead of choosing meaningful pursuits
