Alamillo, 2006-04-27 Out of the lemons handed to Mexican American workers in Corona California low pay segregated schooling inadequate housing and racial discrimination Mexican men and women made lemonade by transforming leisure spaces such as baseball games parades festivals and churches into politicized spaces where workers voiced their grievances debated strategies for advancement and built solidarity Using oral history interviews extensive citrus company records and his own experiences in Corona Jos Alamillo argues that Mexican Americans helped lay the groundwork for civil rights struggles and electoral campaigns in the post World War II era      **Contracting**, 1913      **Outing and the Wheelman**, 1905      *How to Make All-Stars* Andy Collins, 2014-03-19 Hey kids do you want to know how to make all stars for your baseball league Or parents do you feel like the coaches keep passing your child up Well no more Or coaches want drills and ways to motivate your players to get better Coach Andy Collins is going to tell you everything he knows from his 35 years of youth and adult coaching and watching what works and what doesn't work It's chock full of ideas in 86 pages He'll cover How your league chooses all stars What all star selectors are really looking for 7 tried and true methods of getting better at baseball But more importantly little known ways to get the people picking the team to notice you And how to beat the politics that seem to get in the way Year after year kids sit in the stands crying after the all star teams are announced and they weren't one of the players that were chosen At the same time the students I've trained do make these same all star teams It was then I realized I had the information that the kids in the stands and their parents and coaches were looking for Wherever there are kids around the world that play youth baseball there are kids that long to make the league's all star team Every year it's the same kids that desperately want to have their name called out or see it announced on the list don't make it and a little bit of them is hurting deep inside and they don't know why they were not picked Little did they know that they could have fairly accurately predicted their chances almost from day one of when the season started And if they knew what you're about the find out they could improve enough in skill in the eyes of the all star selectors as to be a better player or even make the all star team The good news is that in this book there is a way to learn how to make the all star team for the next upcoming season and if not then the following year if you're willing to listen and follow the advice I give While I have written this for parents and coaches to learn how this process works and how they can help these youngsters achieve their dreams this is mostly a book written for the kid who wants to make all stars not a book for the parent who wants their kid to make all stars there is a difference And it will be in that voice that this book will

be written
