## **Maker Of Universes:**

**The Maker of Universes** Philip José Farmer, 1970      **The Maker of Universes** Philip Jose Farmer, 2012-03-19 When Robert Wolff found a strange horn in an empty house he held the key to a different universe To blow that horn would open up a door through space time and permit entry to a cosmos whose dimensions and laws were not those known by our starry galaxy For that other universe was a place of tiers world upon world piled upon each other like the landings of a sky piercing mountain The one to blow that horn would ascend those steps from creation to creation until he would come face to face with the being whose brain child it was But what if that maker of universes was a madman Or an imposter Or a super criminal hiding from the wrath of his own superiors      **The maker of universes.
