Guide for Choice Making for Marriage Dawaye O. Opuda,2015-07-21 Marriage survives with good foundation or else collapse is inevitable Sure hopes of some people with great potentials visions and aspirations are dashed on the hard wall of reality in marriage and many lament over their choices for marriage Love they claim was their driving force Then why is love failing and heartbreaks the order of the day In this book author Dawaye O Opuda reveals that despite the beclouding deceitful looks of people it is possible to discover a sensible spouse who will bring honor and make fulfillment of purpose possible It enables us outgrow certain negative societal norms about choice making for marriage and awakens our consciousness to the realization that after the wedding one is responsible for the fate of his her marriage Guide for Choice making for Marriage is

indeed a hand book for all seeking a better fate in marriage In this book you will learn How to evaluate someone for marriage How to condition your mind at the moment of decision making The place of marriage in the fulfillment of purpose What to do when your choice for marriage is under criticism How not to allow cultural background to influence your choice for marriage negatively how to discern true lovers in the midst of the sycophants How to evaluate the feeling of love because love is a function of perception [Making Marriage Work](#) Rob Pascale,Louis H. Primavera,2016-02-23 Staying happily married has become a difficult proposition in recent times Although the institution is still firmly embedded in our culture divorce rates have steadily climbed since the 1960s While some marriages are truly divorce worthy many other broken marriages can be saved Recent emphasis on personal needs and greater social acceptance of divorce and alternative lifestyles may have weakened the resolve of partners to work through their problems Furthermore many couples may not realize that problems in their current marriages are likely to surface in other relationships Consequently while they may consider divorce a solution it may in fact only be a stepping stone to the next relationship where patterns may repeat Solving marital differences can be difficult They tend to be linked to or caused by other problems and that can make it hard to identify the real reasons for conflicts Without knowing the true nature of their problems couples cannot arrive at solutions that actually work To understand the underlying issues that plague many marriages the authors look to the research conducted on the subject over the past fifty years and to real life stories of success and failure to outline the major issues that detract from marital stability Drawing on Louis Primavera's twenty five years in private practice as a marriage counselor each chapter is peppered with anecdotes that every married person can relate to and that help bring issues to life The authors also propose frank and honest solutions that can help couples have more satisfying relationships Anyone looking to improve their marriage will find suggestions for sussing out the underlying problems they may be experiencing and guidance for addressing those problems
