*199 Ways to Make Your Good Marriage Great Or Your Bad Marriage Better* Richard W. Linford, 2009-08 199 ways to make your good marriage great or your bad marriage better Improve your marriage today Change your state of mind Share your love with your husband or wife      [Making Good Marriages Better](#) Robert D. Dale, Carrie Kondy Dale, 1978      [Making Marriage User Friendly](#) Russ Holloman Ph. D., 2012-05 Why are some marriages more successful more satisfying and more enduring than others The answer to this question is perhaps the most widely studied and best known part of our marriage and family therapy literature although arguably it is the least understood and certainly the least followed in terms of avoiding the pitfalls that lead to unsuccessful marriages What this book proposes as an answer to this question is the nearest thing we have to a manifesto for marriage and family living It provides us with a clear description of what married life should be like No words or ideas sum up the intention of this manifesto better or indicate more clearly its challenge to contemporary marriages than the words making marriage user friendly      [What the Bible Actually Teaches on Women](#) Kevin Giles, 2018-10-19 Kevin Giles has been writing on women in the Bible for over forty years In this book What the Bible Actually Teaches on Women he gives the most comprehensive account to date of the competing conclusions to this question and the issues surrounding it To understand the bitter and divisive debate among evangelicals over the status and ministry of women it needs to be understood that those who since 1990 have called themselves complementarians argue that in creation before the fall God set the man over the woman Thus the leadership of the man and the subordination of the woman in the home the church and wherever possible in the world the whole creation is the God given ideal that is pleasing to God It is this theology that Kevin Giles deconstructs and shows to be without a biblical foundation Giles shows that he is fully conversant with the complementarian position and yet is unpersuaded by it He sees it as an appeal to the Bible to preserve male privilege similar to the appeals to the Bible to validate slavery and Apartheid appeals to the Bible made by some of the best Reformed and evangelical biblical scholars and now seen to be special pleading Carefully studying the limited number of texts on which complementarians predicate their theology of the sexes Giles finds not one of them actually teaches what complementarians claim Furthermore complementarians too often ignore the texts that are very difficult for them In this book the ordination of women gets only passing mention The constant focus is on whether or not the Bible subordinates women to men as an abiding theological principle      **The Birkman Method** Sharon Birkman Fink, Stephanie Capparell, 2013-04-23 The first in depth book on the personality assessment used by millions of people worldwide revealing the underlying needs that drive and inspire you Whether you re wondering if you are in the right career looking to change job roles or trying to reduce conflict and improve relationships at work and at home you must begin by fully understanding your own interests and needs and how they drive your ultimate happiness as well as unleash your stress points Used by millions of people worldwide The Birkman Method is the only personality assessment tool that reaches beyond self described behavior and situational analysis to
