**Making News** David Henderson, 2008-11-02 *Making News* A Straight Shooting Guide to Media Relations is an insider's look at today's changing news media with essential tips for How to ensure your story will be chosen as today's news How to gain credibility and achieve effective coverage How to better communicate with reporters editors and producers How to use media coverage to build a distinctive brand image From the perspective of an accomplished expert and with advice from leading journalists *Making News* provides a deeper understanding of how the news business functions how journalists judge the value of a legitimate story and how you can communicate with the media to achieve outstanding results PRAISE FOR DAVID HENDERSON Public relations is never as easy as it looks So you are lucky to be reading this book for few know PR as well as David Henderson A skilled correspondent and a gifted man David knows both sides of the process of delivering a message Harry Smith CBS News David Henderson has worked both sides of the street as a reporter and an advocate He has that double advantage of knowing a story and knowing how to sell it Richard Serrano Los Angeles Times *MAKING NEWS: A STUDY IN THE CONSTRUCTION OF REALITY* Gaye Tuchman, 1978-11 *Making News* Richard R. John, Jonathan Silberstein-Loeb, 2015 This book charts the rise and fall of the newspaper as the primary medium for the conveyance of news The book focuses on two of the most influential media markets in the modern world Great Britain and the United States between 1688 and 1995 In 1688 Parliament created institutional arrangements that would hasten the rise of the newspaper as the dominant medium for the circulation of news In 1995 the National Science Foundation commercialized the Internet encouraging an astonishing proliferation of information on all manner of topics including the news Per capita newspaper circulation had been declining for decades partly due to shifting social norms and partly due to the rise of broadcast news The Internet exacerbated this trend partly because it provided a cheaper news source and partly because it quickly became a superior vehicle for advertising a major source of revenue for newspaper publishers for over two hundred years However only rarely has advertising revenue and direct sales covered costs Almost never has the demand for news generated the revenue necessary for its supply Non market institutional arrangements have ranged from direct government subsidies to organizational forms that enabled news organizations to cooperate From a historical perspective the large profits reaped by a handful of newspaper publishers in the post Second World War era were anomalous and in no sense a baseline for public policy Never again will the newspaper be the dominant news medium To guarantee an informed citizenry in the future it is necessary to understand how the news business worked in the past This book is organized around eight essays each written by a distinguished specialist and each explicitly comparative Its theme is the indispensability in both Great Britain and the United States of non market institutional arrangements in the provisioning of news **Making Laws and Making News** Timothy Cook, 2010-12-01 The news media especially television have become a fixture on Capitol Hill in the past twenty years *Making Laws and Making News* describes the interactive relationship between the press and Congress that strongly affects

the news the legislative process and the types of laws enacted Instead of focusing on how reporters decide who and what to cover and how news is resented Cook examines the other side of the equation the relationship between the media strategies of House member s press offices and the legislative strategies of the members themselves The book won the 1990 Benjamin Franklin Award for Excellence in Independent Publishing     *Making Noise, Making News* Mary Chapman,2014 For most people the U S suffrage campaign is encapsulated by images of iconic nineteenth century orators like the tightly coifed Susan B Anthony or the wimpled Elizabeth Cady Stanton However as Mary Chapman shows the campaign to secure the vote for U S women was also a modern and print cultural phenomenon waged with humor creativity and style *Making Noise Making News* also understands modern suffragist print culture as a demonstrable link between the Progressive Era s political campaign for a voice in the public sphere and Modernism s aesthetic efforts to re imagine literary voice Chapman charts a relationship between modern suffragist print cultural noise and what literary modernists understood by making it new asserting that the experimental tactics of U S suffrage print culture contributed to and even anticipated the formal innovations of U S literary modernism Drawing on little known archives and featuring over twenty illustrations *Making Noise Making News* provides startling documentation of Marianne Moore s closeted career as a suffrage propagandist the persuasive effects of Alice Duer Miller s popular poetry column Asian American author Sui Sin Far s challenge to the racism and classism of modern suffragism and Gertrude Stein s midcentury acknowledgement of intersections between suffrage discourse and literary modernism     *The Australian Musical News* ,1926     *The Practice of Journalism, a Treatise on Newspaper Making* Walter Williams,1911     **News Bulletin - The American Society for the Advancement of Violin Making** American Society for the Advancement of Violin Making,1974     News and the newspaper Missouri.
