edited collection brings together some of the world's leading international lawyers with a very clear mandate in mind to re-evaluate and re-examine the dominant historiographical tradition in the field of international criminal law. Carefully curated and with contributions by leading scholars, *The New Histories of International Criminal Law* pursues three research objectives to bring to the fore the structure and function of contemporary histories of international criminal law to take issue with the consequences of these histories and to call for their demystification. The essays discern several registers on which the received historiographical tradition must be retriéd: tropology, inclusions/exclusions, gender, race, representations of the victim and the perpetrator, history and memory, ideology and master narratives. international criminal law and hegemonic theories and more. This book intervenes critically in the fields of international criminal law and international legal history by bringing in new voices and fresh approaches. Taken as a whole, it provides a rich account of the dilemmas, conundrums and possibilities entailed in writing histories of international criminal law beyond against or in the shadow of the master narrative. **Sam Spiegel**, *Natasha Fraser-Cavassoni*, 2003. This biography is the story of how a bankrupt refugee without a studio managed to produce several of the greatest films of all time: *The African Queen*, *On the Waterfront*, *The Bridge on the River Kwai* and *Lawrence of Arabia*. Film credits aside, Sam Spiegel led a flamboyant and uncompromising life and the full story has never been told until now. **Photos: The Making of the African Queen**, Katharine Hepburn, 1989-01-13. **Kate**, William J. Mann, 2007-10-30. The first major Katharine Hepburn biography independent of her control reveals the smart, complicated and sophisticated woman behind the image. Onscreen, she played society girls, Spencer Tracy's sidekick lionesses in winter. But the best character Katharine Hepburn ever created was Katharine Hepburn, a Connecticut Yankee, outspoken and elegant, she wore pants whatever the occasion and bristled at Hollywood glitter. So captivating was her image that she never seemed less than authentic. But how well did we know her really? Was there a woman behind the image who was more human, more driven and ultimately more triumphant because of her vulnerability? William J. Mann, a cultural historian and journalist, a sympathetic admirer but no mere fan, has fashioned an intimate, often revisionist and truly unique, close-up that challenges much of what we think we know about the Great Kate. Previous biographies, mostly products of friends and fans, have recycled the stories she hid behind taking Hollywood myths at face value. Mann goes deeper, delivering new details from friends and family who have not been previously interviewed and drawing on materials only available since Hepburn's death. With affection, intelligence and a voluminous knowledge of Hollywood history, Mann shows us how a woman originally considered too special and controversial for fame learned the fine arts of movie stardom and transformed herself into an icon as durable and all-American as the Statue of Liberty. **Behind the Scenes**, Rudy Behlmer, 1990. This book goes behind the scenes, telling stories behind the making of a group of Hollywood classics made during the 1930s, 1940s and 1950s, presenting a view of all the plans, peculiarities and happy accidents behind the making of some of America's greatest films. **The Homemaker**, 1892. **Humphrey Bogart**, Gerald Duchovny, 1999-02-28. More than forty years after his death, Humphrey

Bogart remains a symbol of the Golden Age of Hollywood and a popular culture icon His legacy has impacted American popular culture beyond the scope of American film history His image graces buttons greeting cards and postal cards and he has been the subject of plays films novels and poems This work presents a precise biography of Bogart and examines his place in American popular culture Scholarly and substantive articles written about Bogart s life films and career are analyzed and summarized Essays and new and previously published interviews present insightful ideas by and about Bogart Film and popular culture scholars and Humphrey Bogart enthusiasts alike will appreciate the extensive and thorough listing of articles and books about Bogart and his career As a guide to further research the author has provided a filmography discography and videography and has documented theater listings radio and television appearances and a directory of Bogart websites This extensive review of Bogart and his career helps to define his success within an American cultural context *Readers' Guide to Periodical Literature* Anna Lorraine Guthrie,Bertha Tannehill,Neltje Marie Tannehill Shimer,1988 An author subject index to selected general interest periodicals of reference value in libraries *Twenty-five Years in a Waggon* Andrew A.
