Major League Hitting Secrets:

Big League Batting Secrets Harvey Kuenn, James Smilgoff, 1958 *Think Better Baseball: Secrets from Major League Coaches and Players for Mastering the Mental Game* Bob Cluck, 2002-06-27 In this unique guide to playing better baseball Bob Cluck draws upon actual situations encountered during his more than two decades as a major league coach and scout to provide answers to critical questions coaches and players have about the complex strategic aspects of America's most beloved sport. *Think Better Baseball* is for coaches and players interested in taking their games to a higher level of sophistication. Cluck covers a host of knotty situations commonly encountered during the course of a game and describes various successful strategies that many of the greatest coaches and players in the history of the game have employed to their advantage.

Hit Like a Big Leaguer Jack Maloof, 2006-03-16 Youth baseball players learn the secrets of hitting smart and batting big. Batting is more than just making contact; it is about the swing, the stance, the follow-through. Major League hitting coordinator Jack Maloof, who has fixed the mechanics of such explosive hitters as Tony Gwynn, Roberto Alomar, and Cliff Floyd, shares the same techniques he used with these big leaguers to help players in senior youth leagues and up hone their individual hitting form and make the most of every at-bat. *Hit Like a Big Leaguer* is a compendium of how to hitting including pre-season drills on deck, mental game strategies, and the ultimate skills to make every appearance at the plate count.

Secrets of Baseball Told by Big League Players Mitchell Vaughn, Charnley, 1927 Hitting Secrets of the Pros Wayne Stewart, 2004-03-23 *Hitting Secrets of the Pros* is the first book of its kind to approach the art of hitting from an anecdotal perspective, providing keen insight and instruction through exclusive interviews and historical research. Nomar Garciaparra, Ken Griffey Jr., Mark McGwire, Stan Musial, and Cal Ripken are only a few of the big league batters who share their know-how with aspiring sluggers, teaching readers about styles and strategies, slumps and streaks, and everything they need to gain a competitive edge at the plate.

Paul as Pastor Brian S. Rosner, Andrew S. Malone, Trevor J. Burke, 2017-11-30 *Paul as Pastor* demonstrates the critical nature of Paul's pastoral care to his identity and activities. Despite the fact that Paul never identifies himself as a pastor, there is much within the Pauline letters that alludes to this as a possible aspect of Paul's vocation and commitments, and this has been a topic of relative scholarly neglect. The contributors to this volume consider the household setting of Paul's pastoral practice, the evidence of Acts, and a survey of themes in each of the letters in the traditional Pauline corpus. Additionally, three chapters supply case studies of the *Wirkungsgeschichte* of Paul's pastoral practice in the pastoral offices of the Anglican Communion in the denomination's Ordinal and in the lives and thought of Augustine of Hippo and George Whitfield. As such, *Paul as Pastor* provides a stimulating resource on a neglected and critical dimension of Paul and his letters and an invaluable tool for those in pastoral ministry and those responsible for their training.
