*Civil Liberties

ROBERT PAGE GEORGE

Making Men Moral

Frederic Ludlow Luqueer

Making Men Moral:

Making Men Moral Robert P. George, 1995-04-06 Contemporary liberal thinkers commonly suppose that there is something in principle unjust about the legal prohibition of putatively victimless immoralities. Against the prevailing liberal view Robert P. George defends the proposition that moral laws can play a legitimate if subsidiary role in preserving the moral ecology of the cultural environment in which people make the morally significant choices by which they form their characters and influence for good or ill the moral lives of others. George shows that a defence of morals legislation is fully compatible with a pluralistic perfectionist political theory of civil liberties and public morality.
