*The Making of a Biblical Leader* Robert L. Furrow, 2025-08-05 Contributors Robert L Furrow Skip Heitzig Lenya Heitzig Gary Hamrick Daniel Fusco Ed Taylor David Guzik Jim Gallagher Sean McDowell Frank Turek Looking at Effective Christ Centered Leadership While there are many traits that effective Christian and secular leaders share in common there is one trait that sets them apart For

the Christian leader every standard and measure of greatness is drawn not from profit margins popularity or worldly acclaim but uniquely from the Word of God The Making of a Biblical Leader explores the essentials of spiritually guided leadership both in character and in practice for those seeking to grow in their ability to lead with wisdom and integrity With contributions from ten trusted ministry leaders grounded firmly in Scripture this inspiring and practical resource will help you identify the biblical markers of godly leadership successfully navigate difficult leadership situations build long lasting relational bridges embrace the transformative power of suffering and more Whether you re leading a church serving in your community managing a business or guiding others in any capacity you ll find powerful proven principles of Christ centered leadership that will bolster your kingdom impact for years to come *The Christian Leader* Bill Hull, 2016-05-31 What if everything you ve heard about leadership is wrong Secular models of leadership rooted in pragmatic success dominate Christian leadership in the West It makes our work impersonal and exploitive And at worst it serves the leader rather than those the leader leads We need a different style of leadership one patterned after Jesus We need to learn to influence others out of our character for that is what Jesus did The Christian Leader is not about improving your church your work or your family it is about changing how you lead It does more than teach you how to modify your behavior it shows you how to change the sources of your behavior your motives and reasons for being a Christian leader In the end as everything you know and believe about Christian leadership is transformed it will lead to transformation in those you lead and serve The Leadership Trifecta Joseph Welock, 2022-12-01 America is a spiritual battlefield We are up against a powerful enemy As Christians we are constantly under attack and it is of paramount importance that each of us learn how to battle this determined and capable adversary What is at stake you ask The lives of our children our families our nation Satan s number one goal is to keep all non Christians from accepting the truth of Jesus Christ He is a relentless warrior and he is constantly on the prowl for those he can destroy Throughout my life experiences I have come to identify many parallels between the military the parables in the Bible and the athletic gridiron All three are battlefields in their own right and all three provide examples that can help us succeed in spiritual battle Our personal legacy hangs on the decisions we make every day But more importantly the number of souls that end up in heaven depends on how we live our lives and the example that we set To put it in military terms it is time for Christians to stand in the gap We must be the ones who rise up and run toward the battle We must be prepared and poised to react and respond when we identify a spiritual assault No matter what mission we are tasked with we must be the few the proud the elite warriors that will fearlessly sprint toward the chaos that has infiltrated our society I have incorporated stories event and life lessons that stem from my personal life my experiences as a US Marine as well as my twenty two year coaching career I looked to connect them to biblical teachings My goal was to create an essential knowledge blueprint so that readers could refer to and draw from when they identify a spiritual attack I want to help Christian leaders prepare for the battle counterattack and be the victor that I know you can be I challenge you as a

Christian leader to be courageous Make the tough decision to lead every day We are all imperfect We are all sinners But with God's help we can be victors The time is now Be bold step up and be the leader that God knows you can be **Making Christianity Work: Letters and Lessons on Leadership, Theology and the Church** Carl Shank, 2012-08-06 Insights shared by an author and church leadership consultant from letters emails and various mentoring situations involving many lay and professional ministry leaders over an almost forty year ministry span Sections include Feeling About God and Life Knowing God Better Faith and Culture On Church Health and Growth On Church Difficulties On Preaching and Teaching and On Theology **Making Christians** Denise Kimber Buell, 2020-11-10 How did second century Christians vie with each other in seeking to produce an authoritative discourse of Christian identity In this innovative book Denise Buell argues that many early Christians deployed the metaphors of procreation and kinship in the struggle over claims to represent the truth of Christian interpretation practice and doctrine In particular she examines the intriguing works of the influential theologian Clement of Alexandria ca 150-210 c e for whom cultural assumptions about procreation and kinship played an important role in defining which Christians have the proper authority to teach and which kinds of knowledge are authentic Buell argues that metaphors of procreation and kinship can serve to make power differentials appear natural She shows that early Christian authors recognized this and often turned to such metaphors to mark their own positions as legitimate and marginalize others as false Attention to the functions of this language offers a way out of the trap of reconstructing the development of early Christianity along the axes of heresy and orthodoxy while not denying that early Christians employed this binary Ultimately Buell argues strategic use of kinship language encouraged conformity over diversity and had a long lasting effect both on Christian thought and on the historiography of early Christianity A perceptive and closely argued contribution to early Christian studies Making Christians also branches out to the areas of kinship studies and the social construction of gender

*Effective Christian Leaders in the Global Workplace* Peter Shaw, 2010-02-11 Amazon.com lists thousands of books dealing with Christian leadership That begs the question Why do we need another one It's a good question but the answer is simple Getting to the bottom of being a Christian leader in this complex and constantly changing global society is tough and we need a book that is not another easy how to This book is not full of pat answers but draws from the wisdom of a wide range of Christian leaders including private sector chief executives politicians senior police leaders international bankers and senior government officials It provides prompts for thought reflection conversation and prayer which will enable you to be more confident in your global worldview as a Christian leader [Leadership for Church Education](#) Kenneth O. **The Christian Leader's Worldview** Michael LaPierre, 2016-04-19 *Time Management for the Christian Leader* Ken Willard, 2015-05-05 God gives each of us the same 168 hours every week Some of us seem to use that time with incredible efficiency and power But for many others this is an area of frustrating deficiency Time Management for Christian Leaders challenges leaders to evaluate goals and teaches practical techniques for improvement Author and coach Ken Willard reveals

ways we inadvertently waste time and offers solutions in a step by step process at the reader's own pace This book is engaging easy to read and even entertaining Most importantly it is full of information that can transform the Christian leader's ministry and life You will want to keep this book close at hand to read again and again These strategies insights and coaching questions help readers to really manage their time Or as the title suggests to Squeeze Blood from a Turnip J Val Hastings MCC Founder President Barber Church Consulting Life in ministry moves fast and this potent book can help us to do more of what we are meant to do Aubrey Malphurs Founder of The Malphurs Group Professor of Leadership and Pastoral Ministries Dallas Seminary *Building Leaders for Church Education* Kenneth O. Gangel, 1981 The Succession Principle David L. McKenna, 2014-12-23 Succession is the hot topic in leadership development but the subject has rarely been addressed in Christian literature As a college university and seminary president who experienced three successions in leadership David McKenna is eminently qualified to speak on the subject He begins by introducing us to the Succession Principle What we bring to leadership is important What we do in leadership is more important What we leave from our leadership is most important of all Once our priority shifts from success to succession the door is open to read John 17 as the Prayer of Succession for Jesus In this final report Jesus transfers to his disciples and to us the same enduring trust transforming truth and unifying love that he has received for leadership from his Father With these legacies come specific gifts of succession to complete our task develop disciples advance the kingdom and see the fulfillment of Christ's promise Greater things than these shall you do Succession in the spirit of Christ then is written not in terms of success but in the seamless transition of sustainable gifts culminating in the gift of greater things
