Making Of A Frontier Five Years Experien:

Making of a Frontier Algernon George Arnold Durand, 1899 **Making of a Frontier** Algernon Durand, 2017-10-12
Excerpt from *Making of a Frontier Five Years Experiences and Adventures in Gilgit Hunza Nagar Chitral and the Eastern Hindu Kush* The book contains no dissertations on Frontier policy no criticisms or attacks on those who direct that of the Government of India I have no wish to join the bands who ride out to do battle with the windmills of the forward or backward policy and it is in my old fashioned opinion disloyal for an officer still in the service to criticise his superiors even should he consider that he has grounds for his views which is not my case Moreover such criticism is generally foolish For the man on the Frontier sees but his own square on the chessboard and can know but little of the whole game in which he is a pawn It has been my aim merely to give a faithful account of the policy pursued on the Gilgit Frontier of the steps taken to give it effect and of the result attained The reader who expects to find cut and dried dogmatic opinions as to the management of our relations with Frontier tribes will be disappointed These as a rule can only be given with their full effect by men who know nothing about the question About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Bulletin of the American Geographical Society** American Geographical Society of New York, 1907 *Bulletin of the American Geographical Society of New York*, 1907
