The Making of Modern Ireland, 1603-1923 James Camlin Beckett, 1977 *Making of Modern Ireland* Geoff Robinson, Seathrun Mac Roibin, 2009 The history of a nation all too often depends on an admixture of truths half truths and mythology exemplified by the story of Britain and Ireland Both countries were part of the Angevin Empire that controlled an area from the banks of the Shannon to the Centre of France until after its defeat by the French in 1399 But Ireland did not experience English rule until her colonisation by Henry VIII in the 16th Century Basing their story on past ills which resulted in the 1798 Rising by the United Irishmen and the birth of Republicanism together with carefully selected facts folklore and historically inaccurate assumptions the Fenians produced a mythology which was in part responsible for the Rising of 1916 Few are aware that this would not have been possible but for the secret connivance of the enemies of Irish freedom while Ireland gained her independence not by the Rising but as a result of British over reaction which produced the War of Independence The Treaty was followed by a period of civil strife before de Valera established himself as a statesman of world
