Drawing Calm teaches artists and non artists how to find an oasis of calm every day by using the work of master painters to inspire creativity Maybe it s the colors or the eye widening vistas or maybe it s just the idea that harmony can exist on a square of canvas but there is something in art that can calm and inspire at the same time In Drawing Calm artist Susan Evenson shows readers how to do the same It s a book for everyone non artists as well as those with plenty of experience in a studio Using restful but dynamic works of art as a starting point Susan Evenson teaches how to capture the light and peace of the master painting Making use of soft techniques such as torn paper collage blended pastels and wet on wet watercolor this workshop encourages stress free creativity After you learn how to set up your work space and what materials to gather choose your soundtrack and get started with some warm up exercises Then unwind with projects grouped by theme Delight Quiet Warmth Harmony Calm Light Rhythm Put on the music that makes you happy and choose the colors that take you there too
