secret emerges with reverberations that reach far into their past and threaten their future The couple's children ten year old Biscuit and thirteen year old Paul responding to the unnamed tensions around them begin to act out in exquisitely perhaps courageously idiosyncratic ways But as the four family members scatter into private isolating grief an unexpected visitor arrives and they all find themselves growing more alert to the sadness and burdens of others to the grief that is part of every human life but that also carries within it the power to draw us together Moving psychologically acute and gorgeously written The Grief of Others asks how we balance personal autonomy with the intimacy of relationships how we balance private decisions with the obligations of belonging to a family and how we take measure of our own sorrows in a world rife with suffering This novel shows how one family by finally allowing itself to experience the shared quality of grief is able to rekindle tenderness and hope Biscuit Visits the Farm Alyssa Satin Capucilli,2002-07-30 Who Will Biscuit Meet on the Farm Join Biscuit and all of his friends on their visit to the farm The silly puppy is off and running to look at every inch of this exciting new place What will Biscuit and friends see on their trip Unfold the flaps in this sweet story to find out
