Meet Danny Wilson Danny Wilson,1987 **Meet Danny Wilson** Don McGuire,1952 *The Films of Frank Sinatra* Gene Ringgold,1989 Provides photographs credits synopses and reviews from each of the celebrated screen star s films

The Business of Bobbysoxers Katie Beisel Hollenbach,2024-11 Through an examination of World War II era Frank Sinatra fan communities in the United States *The Business of Bobbysoxers* considers celebrity following fan behavior and popular music culture as a window into the lives of wartime female youth [Just Remember This](#) Colin

Bratkovich,2014-05-08 I have completed this manuscript *Just Remember This* or as *American Pop Singers 1900 1950* about music before the 1950s in America It perhaps offers knowledge and insights not previously found in other musical reference books I have moreover been working on this book very meticulously over the past twelve plus years It started as a bit of fun and gradually became serious as I began to listen along with the vocalists of popular music of the era before 1950 essentially just before the dawn of rock and roll If you can call it that Indeed genre and labeling of American music started here and then from everywhere While the old adage of always starting from somewhere could be noted in every century the 1900s had produced the technology Understanding the necessity more so finds a curiosity on the part of a general public hungry for entertainment despite 6 day work weeks World War I the Great Depression and World War II **Sinatra in Hollywood** Tom Santopietro,2009-11-10 Hollywood legend Academy Award winning actor and recipient of the Golden Globe Award for lifetime achievement in film Frank Sinatra carved out one of the biggest careers in the history of Hollywood yet paradoxically his screen legacy has been overshadowed by his extraordinary achievements as a singer and recording artist Until now With the publication of *Sinatra in Hollywood* an analytical yet deeply personal look at the screen legend of Frank Sinatra Sinatra s standing as a significant indeed legendary screen actor has now been placed in full perspective Examining each of Sinatra s seventy film appearances in depth Tom Santopietro traces the arc of his astonishing six decade run as a film actor from his rise to stardom in boy next door musical films like *Anchors Aweigh* and *On the Town* through his fall from grace with legendary flops like *The Kissing Bandit* to the near mythic comeback with his Oscar winning performance in *From Here to Eternity* Laced throughout with Sinatra s own observations on his film work *Sinatra in Hollywood* deals head on with his tumultuous marriages to Ava Gardner and Mia Farrow and directly addresses the rumors of Mob involvement in Sinatra s Hollywood career Ranging from the specifics of his controversial acting nickname of One Take Charlie to the iconic Rat Pack film *Ocean s Eleven* from the groundbreaking performance in *The Manchurian Candidate* to the moving and elegiac late career roles as tough yet vulnerable detectives the myths and personal foibles are stripped away placing the focus squarely on the work Oftentimes brilliant occasionally off kilter but always compelling Frank Sinatra the film icon who registered as nothing less than emblematic of The American Century here receives his full due as the serious artist he was the actor about whom director Billy Wilder emphatically stated Frank Sinatra is beyond talent **Box Office** ,1953 **The Cinematic**

Legacy of Frank Sinatra David Wills, 2016-01-05 In a film career spanning more than five decades Frank Sinatra proved to be a roulette wheel of constantly spinning talent the likes of which Hollywood has rarely seen Film history is filled with stars created by the studio system Occasionally however a performer emerged who against all preconceived odds of what a star should be or look like knocked down the walls of convention by becoming nothing other than what they already were Frank Sinatra was the embodiment of this fundamental truth The legacy of his work stands apart from many of his contemporaries who essentially based their performances on an extension of a core character type Sinatra however was able to take his signature persona and translate it successfully into many film genres first as the comedic song and dance man then as the dramatic actor and romantic lead and finally as the tough guy and action hero Sinatra also respectfully challenged contemporary ideals of acting technique While being humble enough to learn from his peers he kept his acting style fresh and instinctual and earned an Oscar at a time when many actors were either classically trained or coached in the Method In The Cinematic Legacy of Frank Sinatra author David Wills presents a stunning collection highlighting the work of one of Hollywood's greatest stars in roles as varied as those in the classics *Anchors Aweigh* *From Here to Eternity* *Suddenly Guys and Dolls* *The Man With the Golden Arm* *Ocean's 11* *The Manchurian Candidate* *Von Ryan's Express* and *The Detective* Pairing more than two hundred first generation photos with reflections on Sinatra from costars and work associates and including contributing essays by his children Nancy Sinatra Tina Sinatra and Frank Sinatra Jr it is an unforgettable showcase of the actor's transformation from world famous singer to movie star to Academy Award winner and finally to one of the most enduring icons in cinema history
