**Paths on the Tree of Wisdom** Mike Bais,2024-02-13 The most up to date and comprehensive guide to the Kabbalah making this complex mystical tradition easy to understand and use Kabbalah is a tradition that is closely related to Judaism but which has links also with Ancient Egyptian religion and currents all across the Near and Middle East Outwardly it was studied and taught principally by Rabbis but in fact on a more secret level its development was also taken forward by Moslem scholars Renaissance princes alchemists of all kind and magicians It found its expression in the tarot deck and in the esoteric teachings of Aleister Crowley and Dion Fortune In a way it s all in here and Kabbalah holds the key to all the workings of the universe We can use it to make sense of our own minds and motivations and become better happier people by relating more consciously to all that is As Dutch teacher Mike Bais points out we can also use this supremely flexible system to understand the universe and how it works and one of his key points in this book is that Kabbalah is ideally placed to bring science and spirituality back together again after centuries of estrangement The book is full of diagrams and illustrations that enhance the text The exercises and practical teachings here form a crystal clear course of study for anyone willing put in the time and change their lives

**Meet the Rabbis** Brad Young,2007 What does Jesus Sermon on the Mount have in common with the ancient literature of the Jewish rabbis Much more than most Jewish and Christian people often realize Jesus was addressed as rabbi as were the most devout teachers in the synagogues of his day Despite the common values and Scriptures shared by these two great religions many Christians have little knowledge of the great Jewish rabbis who wrote from the time of Jesus and the writing of the New Testament in the first century to the completion of the Talmud in the seventh century Young

believes this ignorance of the important literature and religious leaders of that period has caused an unnecessary division between the adherents of both religions
