No musical knowledge is necessary to use this method. All the music is written in the keys of C Major and A minor so no sharpening levers or pedals are needed. The guitar chords are displayed above the staff so the students can add to the written music or other instruments can accompany the harp. The music is graduated from two fingers to playing with both hands. The music is labeled to allow the students to gradually learn the notes and fingering without stress or frustration. The method contains lessons on the parts of the harp, tuning, stringing and taking care of your instrument. Also included in the method are reading music, time signatures and counting, placing and bracketing, finger drills and much more. There are also eighteen songs starting from very easy and continuing to add to the music as the student progresses. All songs have labeled notes to help the students learn notes and fingering. Online video complements the book and follows up the written instructions with video footage so the student can visually see the method. Includes access to online video. **Basic Harp Method** JF Khor, 2023 This beginner harp method book based on nursery rhymes is designed to make harp playing accessible and enjoyable for children as young as 4 years old. A harp method book centered around nursery rhymes provides a delightful way to learn as familiar tunes make the learning process more enjoyable and engaging.

It combines musical skill development with the joy of playing well known melodies fostering a strong foundation for beginners. This book includes the accompaniment parts which enhances the learning experience making it not only educational but also fun and dynamic. Playing along with accompaniments allows beginners to develop a sense of ensemble playing and adds an extra layer of enjoyment to the harp learning process. The accompaniment part can be played as duets or collaboration with teachers or music reading parents. **Exploring the Folk Harp** Janna McCall Geller, Mallory Geller, 2016-01-28. Written in a supportive easy to follow style this big book covers just about everything of interest to harpers beginning through advanced and is recommended by players and teachers as an excellent tool to better understand your instrument. It combines a reference on such topics as types of harps, maintenance, harmony and chords, ear playing, arranging, singing, improvising, instructions on how to simplify and personalize the music to suit your playing level and much more with a full range of harp arrangements from Celtic to Classic including a special emphasis on Renaissance music. The 46 titles include Ash Grove, Greensleeves, Danny Boy, Gymnopedie No 3, Cielito Lindo, Amazing Grace and more with complete lyrics.
